PRINCIPAL NEWS

Welcome back to Term 4.

I am looking forward to a great term, although it is the last term at Primary school for our Year 6 students. I'm sure Kingscliff Public School has given the Year 6 students many amazing memories over the past 7 years and I look forward to celebrating their last presentation day and their Year 6 Farewell as well. You are all amazing students that I know will go off to do great things with your life.

This term is busy, as we wind down to the end of the year. I encourage all families to make sure they have liked the Kingscliff Public School Facebook page, so you can be kept up to date with the latest information.

We still don't have dates for the school build yet but have had a few meetings and we hope to be in our pop up school by early next year. Once we know more, we will let you know.

Please don't forget to complete the "Tell them From Me Survey" which finishes soon. We would love feedback from as many parents and Carers as possible.

Nude Lunchboxes

In the last three weeks of Term 3 we introduced Nude Lunchboxes on a Monday. The response was amazing, we reduced our waste by over 85% on these days and the students were excited about taking responsibility for the rubbish they produced. We are also seeing Nude Lunchboxes becoming more prevalent on other days. Due to this incredible success we will be continuing Nude Lunchbox Mondays into Term 4, with a view to making this school policy in the future.

Every Monday will be a Nude Lunchbox day and we encourage all students to participate by bringing in a lunch with no wrappers.

Thank you to all the parents, carers and students who have supported this change and reduced their waste. Small changes can make a big difference!

Well done

TTFM (Tell Them From Me) Survey

The Tell Them From Me Survey is a complete evaluation system for measuring student engagement, well-being, classroom climate, and other factors known to affect learning outcomes. Information is captured from students, parents and teachers to inform school policy and practice.

We surveyed students from Years 4 - 6 earlier this year and now it is the parents/carers turn to give us valuable feedback.

To do this you need to type the web address below into your internet browser on your computer, ipad, tablet or mobile phone:

www.nsw.tellthemfromme.com/kps19

You will then get a series of questions to answer, which should take you about 15 mins. Thank you for engaging in our School's planning process.

KPS WasteWise Program Parent Survey

This survey is designed to investigate the opinions of parents and caregivers on Kingscliff Public School's future WasteWise program. Sustainability is an important issue and at Kingscliff Public School we have been exploring ways in which we could move our school towards a more sustainable future. The WasteWise School programs purpose is to educate our students and community about recycling and minimising waste to landfill. This survey is designed to investigate the opinions of parents and caregivers on Kingscliff Public School's future WasteWise program.

THE S.R.C. ARE RECYCLING BREAD TAGS TO FUND WHEELCHAIRS FOR PEOPLE IN NEED AND WE'D LIKE YOUR HELP!

Calling all bread lovers! Whether you're a wholemeal, seeded grain, gluten free, thick sliced, thin sliced, bun, roll or english muffin type of person, there's something you all have in common. And we want it!

Hint: it's these tiny, colourful pieces of poison... whoops, we mean plastic.

We know many of you avoid bread in plastic bags and choose paper or reusable bread bags instead.

But this is for the odd occasions; the 'I forgot the bread and the bakery has already closed' supermarket dashes, where collecting one of these tags is inevitable. In those cases, we want you to hold onto them for us.

Collect your bread tags and bring them to school. There is a collection container in every classroom!

KIMP NEWS

KIMP News

Welcome back everyone, I hope you all had a great break and are refreshed and ready for a wonderful final term for 2019. We have had lots of wonderful performances so far this year and are looking forward to making the most of the rest of the year, especially before we lose our fabulous Year 6 KIMP musicians!

Everyone should have a KIMP timetable now, if you haven't yet seen one at home please email me and I'll make sure I get one to you. Rehearsals are on the same mornings with the only change being a slightly earlier start for Senior Band on Tuesdays at 7.30am. There are now over 50 students in Senior Band (WHOO HOO!) so it is a big job to set up and pack up so the earlier start will help give us enough actual rehearsal time. I know the early mornings are a big ask in a busy family household so I really appreciate the effort you all make to get to rehearsals on time.

Diary dates...so far we have the following performances planned...with more to come!

Week 3 Kindy Orientation - Senior Band playing Tuesday, Big Band Friday

Week 7 Dreamworld - Senior Band Wed 27th Nov - parent helpers needed!

Week 8 FEROS Wommin Bay Big Band Tues, Night Markets Big Band Friday 6th Dec 6pm

Week 9 Awards Days - Intermediate Band, Senior Band, Big Band

Now is the time to get back into a practice routine at home...remember even the keenest student will still need parental support, encouragement, bribery (!) to practice. It's being consistent which will make all the difference - to both their progress and ongoing enjoyment. Thank you so much for the support at home!
