Handicrafts in Finnish schools

"Basic Education" in Finland includes "Handicrafts", from year 3 onward. Handicrafts includes: art / craft, sewing (including machine work, weaving, knitting, croquet, embroidery etc), metal work, wood work and home economics. The facilities were amazing to see and all children have the opportunity to engage in these lessons. They become electives later in high school, where others are also added, such as photography, multi-media etc.

PRINCIPAL NEWS

Swimming Survey

Thank you to those of you who responded to our recent online swimming survey.

We had 117 responses to the survey about the possibility of a specific "Learn to Swim" program next year. Of those responses, only 35 indicated their child/children could not swim 25m unassisted and only a subsequent 20 families voted yes to attending classes should they be offered. Unfortunately, this is not enough to run the Learn to Swim classes. Therefore, "Learn to Swim" will not be offered in 2020. We will investigate the possibility again toward the end of next year, for possible inclusion in 2021.

Please note this is different to our school sport swimming program which, historically, has been offered every 2nd year.

2020 Enrolments

Kindergarten Orientation begins this week. If you are yet to complete your enrolment forms for 2020, I urge you to do so promptly. Please remind any neighbours or friends that these are due as well, so that the school can continue to plan for staffing in 2020.

On a related matter, if you know that your family is leaving the school for any reason, please let the office know in writing, so that these names will be taken off potential lists for 2020.

Important Dates

Fundraising Closes: Friday 8th November 2019

Colour Run EVENT: Friday 13th December 2019

THE S.R.C. ARE RECYCLING BREAD TAGS TO FUND WHEELCHAIRS FOR PEOPLE IN NEED AND WE'D LIKE YOUR HELP!

Calling all bread lovers! Whether you're a wholemeal, seeded grain, gluten free, thick sliced, thin sliced, bun, roll or english muffin type of person, there's something you all have in common. And we want it!

Hint: It's these tiny, colourful pieces of poison... whoops, we mean plastic.

We know many of you avoid bread in plastic bags and choose paper or reusable bread bags instead.

But this is for the odd occasions; the "I forgot the bread and the bakery has already closed" supermarket dashes, where collecting one of these tags is inevitable. In those cases, we want you to hold onto them for us.

Collect your bread tags and bring them to school. There is a collection container in every classroom!

Term 4 Week 3 Be Responsible:

Rubbish.

How do I dispose of my rubbish in a responsible way?

- I can make sure all my rubbish goes into a bin
- I can think about which bin to put my rubbish in.
- I can throw all my rubbish away, before I go and play.

I can choose the right bin for my rubbish.

KIMP NEWS

Kindy 2020 Orientation Performances - this week the Senior Band and Big Band are both performing for the Kindergarten Orientation sessions which is always an exciting opportunity to show off our wonderful musicians and instrumental music program. Normal rehearsal for Senior Band 7.30am tomorrow morning - please wear band shirt with normal school uniform and bring school shirt to change into.

Big Band rehearsal and lessons will be on Friday instead this week as the orientation session is Friday morning. Rehearsal 8am Friday morning - same deal, wear band shirt with normal uniform and bring school shirt to change into.

KIMP 2020 - Week 4 will see some of our senior musicians doing instrument demonstrations for our current Year 2 students which is very exciting. Expressions of Interest forms will then go home and try outs will take place the following week. Please make sure forms are back in by the date on the form so your child gets to do the try outs. Instrument allocations depend on a number of factors including student preference, instrument availability, student capabilities (ie. are they big enough yet!), and what the program needs for balanced instrumentation. It is always a fun and exciting time and I am looking forward to our KIMP 2020 recruitment! Existing KIMP students will also need to return a form to secure their place in the program for next year.

If you have any questions please don't hesitate to email me.

Nicky Cooper

nicole.cooper15@det.nsw.edu.au

PS. As I mentioned last newsletter I am looking for keyboard players, guitarists and bass players for our bands next year. This is a fantastic opportunity to get into the KIMP program and fast track into the senior groups. Students need to be having lessons with a teacher outside school hours. Please email me!!!!
