PRINCIPAL NEWS

Kiss and Drop Zone

Thank you to those parents who are using our drop off and pick up area effectively. We appreciate your patience as you approach the curb and most children are ready to go. In the event that your child is late, I remind everyone that this area is a No Parking Zone. You cannot leave your car. Police were out last Monday, checking for parking and pedestrian activity, as well as back up into town.

It is also critical that **ALL pedestrian use the crossing or walk up past the buses** before crossing the road. Crossing between cars and buses is unsafe. We had a very near miss last week, when a child ran out to catch up with a parent. Any parent who crosses between vehicles is putting children at risk and modelling unsafe practices. I urge everyone to keep Kingscliff students safe. Kingsley says, "Let's be safe when we cross the road."

Class lists

As happens every year, in the last few weeks of this term, we will be drafting class lists for 2020. This year, we will be using computer software to draft initial lists. We input the data, e.g. put student x, student y in

different classes, and the software makes it happen. Teachers will put in data about peer groups, learning needs, and other special considerations that we are aware of.

If there are new circumstances pertaining to your child that could impact on their class next year, please put it in writing and leave at the office for consideration.

Please trust us. All teachers will review and discuss classes and do our best to cater to the needs of each child. Thank you for your support during this time.

Bikes & Scooters

There has been a sudden increase of the number of bicycles and scooters coming to school. This is great! To-day, we have reminded students of a couple of important points:

1. Those riding bikes and scooters must have helmets on.
2. Respect the property of others. The bike area is not a place to play or hang out chatting with friends. It is out of bounds during the school day.

Colour Run EVENT: Friday 13th December 2019

THE S.R.C. ARE RECYCLING BREAD TAGS TO FUND WHEELCHAIRS FOR PEOPLE IN NEED AND WE'D LIKE YOUR HELP!

Calling all bread lovers! Whether you're a wholemeal, seeded grain, gluten free, thick sliced, thin sliced, bun, roll or english muffin type of person, there's something you all have in common. And we want it!

Hint: it's these tiny, colourful pieces of poison... whoops, we mean plastic.

We know many of you avoid bread in plastic bags and choose paper or reusable bread bags instead.

But this is for the odd occasions; the "I forgot the bread and the bakery has already closed" supermarket dashes, where collecting one of these tags is inevitable. In those cases, we want you to hold onto them for us.

Collect your bread tags and bring them to school. There is a collection container in every classroom!

**Term 4 Week 4 Be Respectful:
Keep our school clean!**

I am respectful with my rubbish.

- I make sure ALL my rubbish goes in a bin.

- I can choose the correct bin for my rubbish

- I only put paper and cardboard in the yellow bins

KIMP NEWS

KIMP News

A big Kingy thank you and well done to our Senior Band and Big Band who performed for new Kindergarten parents at last weeks Kindergarten Orientation Sessions on Tuesday and Friday. It was wonderful to have the opportunity to showcase our amazing band program and then speak to the parents about the excellent Creative Arts programs we offer at KPS.

KIMP 2020 - This week is another exciting part of the year when we do the Instrument Demonstrations for our current Year 2 students who are now ready to apply to join KIMP next year! All Year 2 students will bring home a blue KIMP form on Wednesday. If you would like your child to tryout for next year please return the form by next Monday 11th Nov. If you have any questions please email me.

Dreamworld Week 7, 27th November - A reminder that Dreamworld notes have gone home for Senior Band. I have said to the band that being allowed to go to Dreamworld is conditional on behaviour and practice. Senior Band students need to be practicing at least 4 times each week (and lessons and rehearsals don't count as part of those 4 times!). Please support your Senior Band musician to practice at home as if I don't think they are then they will miss out on Dreamworld. It is a very big reward for a year of hard work!

Thank you for all the support at home...and with early morning band rehearsals! We are getting some good work done so it is worth it!!!!
