we are preparing for limited space, as well as a more streamline system. While the fine details are being finalised, here are some points we have already agreed upon:

- Hats will remain on sale on school premises. This is in line with the "Sun Safe" policy.
- We will be selling off current stock, some at discounted prices. See more information about this in this newsletter. 
- As our stock diminishes, orders will transfer to the online supplier, "Mr. Charles". This company currently supplies our uniforms.
- Prior to the start of school in 2020, a pop-up shop will assist with uniform sales in January.
- Ongoing orders will be through a dedicated website and delivery can be made to your home, or to the school. More details from the supplier shortly.

Thank you for your patience and understanding during this period of transition.

Google survey

Last week a google survey was posted, to assist with our evaluation of the trial of Seesaw, across the school. Most classes were engaged in using this classroom communication platform. Your feedback is important to us, so if you haven't completed it yet, please do so this week. Thank you for sharing your thoughts with us.

PRINCIPAL NEWS

Leave

As we move through the middle week of term 4, I remind you all that Mrs. Mirana is currently on leave, returning mid next week. Mr. Bush is relieving as Deputy Principal and Mr. Wallace is relieving as Stage 3 Assistant Principal.

Enrolments

I'd like to take this opportunity to let you all know that with the introduction of new enrolment procedures this term, the Department of Education has been fielding many questions and concerns, particularly regarding enrolling siblings of existing families who are now out of our area. I can confirm that a decision has been made that this comes under the "exceptional circumstance" category and siblings will be accepted, even when other out of area requests are not being taken.

Uniform Shop

As you are aware, the school currently runs the sales of uniforms through the front office. At the end of this year, we will be closing down our "uniform shop" and introducing an online order system, which will be managed off site. With the building project commencing soon,

THE S.R.C. ARE RECYCLING BREAD TAGS TO FUND WHEELCHAIRS FOR PEOPLE IN NEED AND WE'D LIKE YOUR HELP!

Calling all bread lovers! Whether you're a wholemeal, seeded grain, gluten free, thick sliced, thin sliced, bun, roll or english muffin type of person, there's something you all have in common. And we want it!

Hint: it's these tiny, colourful pieces of poison... whoops, we mean plastic.

We know many of you avoid bread in plastic bags and choose paper or reusable bread bags instead.

But this is for the odd occasions; the "I forgot the bread and the bakery has already closed" supermarket dashes, where collecting one of these tags is inevitable. In those cases, we want you to hold onto them for us.

Collect your bread tags and bring them to school. There is a collection container in every classroom!

KIMP NEWS

KIMP 2020 - Last week our current Year 2 students were treated to a flash mob marching band who surprised them in their classrooms playing 'Louie Louie' and then the following day the classes came to the hall for the KIMP instrument demonstrations. It was very exciting and I was particularly proud of our senior musicians who demonstrated their instruments and spoke quite passionately to the classes about what they loved about learning their instrument and being part of KIMP. If your child would like to learn an instrument next year there is a blue form to return to the office - please see the office if you don't have one. They were due back yesterday (Monday 11th Nov) but if you get them to the office by Wednesday I will still be able to see them when I do tryouts later this week. Students in Years 3, 4, 5 are also strongly encouraged to consider learning an instrument if they haven't already started. Being a little bit older and perhaps bigger these students will usually pick it up very quickly and we do have some great larger instruments that would be fantastic for students in the higher grades. Please ask the office for a blue form if you would like to try out for next year.

Existing KIMP students all need to return a yellow form so I know they are continuing and can plan accordingly. Please remember that if your child has had the benefit of a school instrument for a year or more then it is time to consider purchasing them their own instrument. This is important as it allows the school instruments to be available for new students to hire and to have the opportunity to try an instrument the same way your child did. Please email me for any help or information regarding purchasing instrument or hire schemes outside school.

Dreamworld Week 7 Senior Band - a reminder notes and payment are due for Dreamworld by this Friday 15th Nov. All Senior Band students know that it is conditional on practice and behaviour. We have had some serious conversations regarding consistent practice at home in recent weeks and they know that if they aren't practicing they may not be allowed to go to Dreamworld with us...and that would be a huge shame! So please make sure they are practicing at home.

Please email me if any questions or concerns,

Nicky Cooper
