## Bushfires

Many of us have been impacted by recent fires, either directly or indirectly, knowing family or friends who have had some very trying times. Some staff have had family members evacuated from their homes and our very own Ms Cabale has remained on her property to prepare and defend if required. I know our thoughts and best wishes are with everyone in these trying times.

How amazing have all of the emergency services and volunteer organisations been? Our communities are stronger when we pull together. Our SRC has asked if they can run a fundraiser to support our farmers who have endured so much. More next week, as they plan their day for December 6<sup>th</sup>.

## PRINCIPAL NEWS

### School Building Project

There has been a lot of behind the scenes work happening in regard to our building project. Surveyors were here all last week and teams of consultants have visited our school in the past 4 weeks.

We have held one "Community Engagement Workshop" to discuss the educational rationale of our school and future teaching and learning. Teachers, leaders, P&C and some community members participated. A follow up session will be held next week, with the same group of participants. I have a team meeting this Thursday, where I hope to get an update on progress. Once the scope of work is complete and timelines are set, information will be released to the community in greater detail. This is out of my hands and controlled by the project leader. It is very exciting times for our school and the future of education in Kingscliff. So, stay tuned!

### SeeSaw Survey

Thank you to all those who have responded to the recent google survey about the use of the SeeSaw app. This year, we introduced the use of this tool to communicate with parents and to share class work. Kindergarten teachers had used it in 2018, with much success and so it was offered to others to trial. It has slowly gained traction across the school and it has been insightful to get your feedback. Once all data is collated, I will share the results with both staff and community. Thank you again for your feedback.

**THE S.R.C. ARE RECYCLING BREAD TAGS TO FUND WHEELCHAIRS FOR PEOPLE IN NEED AND WE'D LIKE YOUR HELP!**

Calling all bread lovers! Whether you're a wholemeal, seeded grain, gluten free, thick sliced, thin sliced, bun, roll or english muffin type of person, there's something you all have in common. And we want it!

*Hint: It's these tiny, colourful pieces of poison... whoops, we mean plastic.*

We know many of you avoid bread in plastic bags and choose paper or reusable bread bags instead.

But this is for the odd occasions; the "I forgot the bread and the bakery has already closed" supermarket dashes, where collecting one of these tags is inevitable. In those cases, we want you to hold onto them for us.

Collect your bread tags and bring them to school. There is a collection container in every classroom!
