## PRINCIPAL NEWS

### End of Year Presentations and Activities

The week ahead will draw to a close a very busy and successful year for Kingscliff Public School. From academic successes at Kingscliff High School Mousetrap challenge, Department of Education's Game Changer Challenge, district public speaking and spelling bees; on the sporting fields, at dance performances or community events - like ANZAC Day, beach and creek week and band visits to Wommin Bay Retirement Village, Kingy students have been there. Students have represented their school with pride and excelled in all arenas.

The upcoming assemblies highlight these, and many other moments, acknowledging the achievements of our students. I look forward to seeing you there to celebrate with us.

### Build Update

The Rapid Consensus Workshops last week were very interesting and informative. The design team worked with teachers, executive, students and community to synthesise our vision for Kingscliff PS, into a tangible site plan. While the nitty gritty details have not been signed off for release yet, we are getting closer. Our final PRG (Program Reference Group) meeting, for this year, will be held on Monday 16 December. Hopefully, more information will be released soon.

## ASSEMBLY TIMES

### End of year "Yard Sale"

As teachers are cleaning out, getting prepared for the new year, we have identified some excess furniture items. These items will be on display near the COLA, on Friday, throughout the day. For a gold coin donation, you could pick up a student desk, chairs, perhaps a filing cabinet, bookshelf or adult desk. You never know what treasure you may find! A reminder will be placed on School Stream too.

### School Stationery Lists

Personal stationery lists are now available through Kookaburra Education Resources. See inside this newsletter for details. If you buy online, the packs will be delivered to the school in January. Teachers for Kindy and Stage 1 will often store the bulk items for younger students and distribute them as they need them. Years 3-6 will need their own pencil case! If you wish to buy the items elsewhere, you can use these lists as a guide. Please note that personal items, may need replacing or restocking throughout the year, particularly for students in years 3 to 6.

## KIMP NEWS

Big band rocked the **Kingy Night**

**Markets** last Friday night! It was

fantastic to have such a huge turn out

from the Kingy community to support the Big Band as they played at the

night markets. Last time we performed on the stage in the park it was

the windiest day ever, Friday night was about the hottest!! A huge

congratulations to our Big Band musicians - you were amazing and I had

so many comments from people visiting Kingy who came up to say just

how great the band sounded. We loved having some of our mentors play

with us - thank you Jake, Amy,

Sammy, Aiden, Gabby and Sofie!

Thank you also to our tireless KIMP

parents who have been giving up lots

of their time lately with

Dreamworld, Wommin Bay and the

Markets - I couldn't do it without you

all!

### Awards Assembly performances this week!

Monday saw the Intermediate Band give a great polished

performance of "Blizzard Blues" at the Stage 1 Awards. Well done to

these students - most of them have only been learning their instrument

this year...no mean feat to be up performing at the Awards!

No rehearsals or lessons on Tuesday!!!!

Senior Band 7.30am Wednesday!!!!

Wednesday will see Big Band and Senior Band showing off just how far

they have come this year and we are all looking forward to performing at

both the Stage 3 Awards at 9.30am and Stage 2 Awards at 12pm. Big

Band will perform before each Assembly when parents and classes are

arriving. Students to wear band shirt with normal school uniform (not

blacks).

All students who hire an instrument from school are required to leave

their instrument at school on Wednesday for stock take and to see what

needs servicing.

If your child is continuing in 2020 you must return a yellow KIMP form to

the office ASAP as I am planning instrument allocations and availability

for next year.

Please email me with any queries!

**TWEED SHIRE COUNCIL**

Don't muck about, we're in drought

Level 2 water restrictions in force from Friday 13 December 2019

Over the school holidays, we need everyone to use 50 litres less water every day - that's five household plastic buckets!

**It's easy, just:**

- don't play with water toys that shoot water or plug into a hose
- try not to use any water outdoors
- cut your shower time to 4 minutes
- use ½ glass of water to clean your teeth (don't run the tap)
- for a family do 3 loads less of washing a week by making sure the loads are full
- check for leaks and dripping taps and fix them, and ensure your rainwater tank is not being topped-up by the town supply

Clarrie Hall Dam is dropping by nearly 2 per cent a week. We need everyone to pull together to **Save Water Now!** Go online at [www.tweed.nsw.gov.au/savewaternow](http://www.tweed.nsw.gov.au/savewaternow) to find out more. Have a safe and enjoyable school break.
