PRINCIPAL NEWS

Positive Behaviour for Learning

Our school team has worked hard all year, supporting all teachers in the introduction of PBL. Creating the lessons specific for Kingscliff Public School and developing a common language to address our behaviour expectations has been their focus.

The team is now at the stage that they would like to invite a community member to join the team. A parent/carer would meet once per term, with the team, to gain insights to what the team is working on and also to give a different perspective to the discussions. The participant would feedback to the P & C each term.

If you are interested in joining the PBL Team, please leave a message at the office by next Monday (27th) and one of the team will get back to you. Thank you in advance for your support.

Communications

We have had a lot of positive feedback in regard to School Stream, our Facebook page and the Seesaw app. This term, the newsletter will also be added to the school's website. The site will be updated, thanks to the expertise of Mrs. Jill Smith, with new photo galleries coming soon!

From term 3 onward, only those who have requested a paper newsletter, will receive them.

What to do?

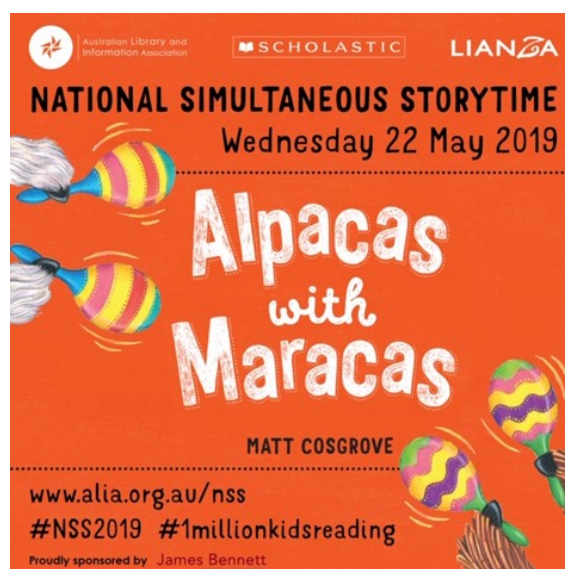

- ♦ If you are happy with online newsletter (school stream or website), do nothing.
- ♦ If you want a paper copy, please return the newsletter slip as soon as possible.

KIMP NEWS

Senior Band and Big Band Workshop this Sunday

26th May! We are all very excited about our first Sunday band workshop coming up this weekend. Last year we had our first workshop and it was a huge success. As we did last year we have our high school musician mentors coming along, many of them ex KIMP students who are now involved in music in their high schools. These workshops give us an opportunity to have more in depth rehearsal time than we get at school as well as the chance to work with and be inspired by the older mentors. I think it is a measure of our program and our great KIMP students that all of the teenagers I asked to come and mentor have said yes! As we did last year if everyone can bring a plate of something yummy to share for morning tea...it certainly added to the fun factor last year and kept everyone going.

Big Band students will start at 9am and then if Senior Band students can arrive in time to be ready to start playing at 10am that would be great. Parents are invited back at 12.30pm to hear what we've been working on and we should be packed up and ready to go home by 1pm.

See you Sunday!

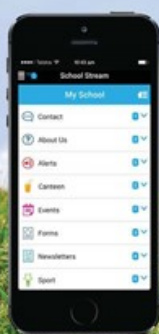

PS Kingy High have very generously lent us their Xylophone to use as we prepare for the Gold Coast Eisteddfod so it will be very exciting to use it on Sunday as part of our workshop!
