PRINCIPAL NEWS

Staff Development Day

Another reminder, that term 2 ends for students on July 4th. July 5th will be a Staff Development Day for teachers. As previously advertised, this is a change of date, from the first day on term 3.

Staff will be engaged in professional learning with several other schools on the North Coast.

So, please remember:

**Last day of term 2 is July 4th.
First day of term 3 for
everyone, is July 22nd.**

Mid-Year Reports

This term, teachers have been carefully writing mid-year reports for all students. With both formal and informal assessments, teachers have gathered data to reflect the progress of each student. These reports will be distributed on Wednesday July 3rd. Many parents/carers have already had some discussions with teachers about their child's progress to date, others may be contacted in the weeks to come to discuss student achievement.

Please remember, you too, can call teachers at any time to discuss your child's progress. So, if you wish to speak to or meet with any teacher, please contact the office to make an appointment.

New School Build

No new news really, other than personnel from "Department of Education, Infrastructure" are working behind the scenes to prepare for the commencement of this mammoth project. I do not, as yet, have any information on a timeline or design. The meeting scheduled for last Wednesday was cancelled and I await the new date. I will keep you posted as I know more!

Following on from the success of the Mother's Day stall volunteer sign up, we will again be using the 'signup' site to keep the process easy.

Please consider volunteering an hour of your time on Thursday 27 June between 8:30am - 2:30pm. You can easily sign up here:
