PRINCIPAL NEWS

Athletic Carnival

What a fantastic day on Friday. Students and staff alike returned to school buzzing after all of the action last Friday. Unfortunately, I had been battling a cold all week so, I chose to stay at school on Friday and Mrs Mirana was on site all day. Not only were there many outstanding performances but I was told everyone exhibited outstanding sportsmanship and house pride. A huge thank you to all of the teachers for supervising events and to the P & C who managed the BBQ, keeping everyone fed and watered for the day. What a wonderful team effort.

Kindergarten: 100 days smarter!

While the older students were running, jumping and throwing, our youngest students were celebrating their completion of 100 days of school. They are of course 100 days smarter now! At school they were dancing, playing, creating and of course eating party food! As I watched them dancing in the hall, it was amazing to see the level of engagement from every student. No more shyness, everyone was having a go, singing and dancing as one! I was lovely to see many students exiting the school on Friday afternoon, still wearing their crowns! They certainly were Kingy royalty last Friday!

K-2 Athletics Carnival

Next Thursday we will hold our annual athletics carnival for students K-2. They have been practising hard in the lead up to their big day. It is fun to watch them learning to run in their lanes. Something that is much harder than you think! Good luck to everyone on Thursday.

Kingsley Day: PBL Reward

Well, they have done it again! Students have once again filled the "Kingsley Barrel" with well earned tickets, which means a reward day is due. Last term we collected a list from students about their ideas for rewards and have pick one of them this time: "extra play time". So, next Thursday afternoon from 12 pm - 1pm (after K-2 carnival), we will have a mixed playground and extra playtime for students. This means that students can play in areas in which they may not always play, e.g. oval or fixed equipment, or with siblings. All teachers will be on duty, as this is usually class time and some extra play equipment will be available, e.g. totem tennis and music in the hall.

We invite family members to join us for the hour if you wish, particularly if you are here for the carnival. Congratulations to our students who are showing us every day that they are: Safe, Responsible, Respectful and Resilient learners.

Online Newsletters

This term, we will transition to the online newsletters only. Most families already receive their news via School Stream or our website already. I remind anyone who would still like a paper version of our newsletter, to request one from the office. If you make such a request, we will honour this for the rest of the year. Thank you for your assistance in this matter.

P & C News

Our stall at Friday's Athletics Carnival was a great success! Huge thanks to everyone who volunteered their time on the day and to those who contributed their efforts beforehand, we couldn't have done it without you!

A big shout out also to the local Woolworths and Coles supermarkets who both generously donated gift cards for the purchase of supplies for the event.

And finally, thanks to those who bought the goodies! An amazing \$1850 was raised and will be used to purchase new iPad resources for our kids to use in the coming months.

The vibe on the day was fantastic, we look forward to repeating the fun at the K-2 Athletics Carnival on Thursday 8th August, see you there!

KIMP NEWS

After our big week last week it is great to be back in the routine of lessons and rehearsals this week. It was wonderful to see Intermediate Band again yesterday morning and we are planning some performances for this term so have lots of reasons to practice!

All students should have received a copy of their KIMP timetable at the end of last term. If you still don't have one at home please email me and I will email you a copy. Please take the time to go through the timetable and note any changes to days for lessons. I try to keep it the same but sometimes have to change the day to accommodate activities at school, excursion, public holidays, performances.

We have had some really great lessons last week and this week and it feels like we have a lot of positive energy in the program. if you can keep encouraging the practice at home and making sure they have a routine to stick to we will keep this great momentum going and it will be an awesome term for all our musicians!

Notes for Gold Coast Eisteddfod were handed out at Senior band this morning - forms and \$15 for bus are due back by Friday next week 9th August (so they are all back before the Canberra excursion). I still need some parent drivers for the Big Band trip to the Eisteddfod on Friday 23rd August. Please let me know if you can drive on that day.

We are off to a great start for the term!
