PRINCIPAL NEWS

Holidays are near!

This week brings Term 3 to a close and the school year is almost over.

As I think about the last 10 weeks, I reflect on our experiences and accomplishments: PBL is becoming embedded in our school, with a common language and high expectations being used across the school; teachers have participated in professional learning and introduced new strategies in to their classroom practice; students have participated in spelling bees, public speaking competitions, Gold Coast Eisteddfod, North Coast Dance Festival, PSSA team and individual events; sporting carnivals and gala days; book parade, life education and learning every day in their classes. We certainly have been busy, time now to relax.

As I take off, for my exciting adventure to Finland, I hope you all enjoy your time together in the school holidays. See you in Term 4.

Beach and Creek Week

What a fantastic week of learning, both in and out of school.

Thank you to the local community and service groups or individuals who supported our school to provide different learning experiences to our students. A special mention to:

- ♦ Tweed Council Ranger, Wayne and Environment officer, Jude for discussing our shore birds with Stage 3,
- ♦ Tango Gelato for the delicious ice cream treats,
- ♦ Fay Gleeson for St. Johns First Aid lessons,
- ♦ Jo Cabale for the reptile awareness talks,
- ♦ Our wonderful KIMP band for entertaining us on the waterfront,

Enrolments

Places are now filling for our kindergarten classes for 2020. With transitions days commencing early in Term 4, please enrol NOW!

If your child turns 5 before 31 July, they are eligible for school enrolment. Call now, so you don't miss our transition days.

Join the fantastic Kingscliff Public School community, where we "Catch the wave of learning" everyday!

TTFM (Tell Them From Me) Survey

The Tell Them From Me Survey is a complete evaluation system for measuring student engagement, well-being, classroom climate, and other factors known to affect learning outcomes. Information is captured from students, parents and teachers to inform school policy and practice.

We surveyed students from Years 4 - 6 earlier this year and now it is the parents/carers turn to give us valuable feedback.

To do this you need to type the web address below into your internet browser on your computer, ipad, tablet or mobile phone:

www.nsw.tellthemfromme.com/kps19

You will then get a series of questions to answer, which should take you about 15 mins. Thank you for engaging in our School's planning process.

KPS WasteWise Program Parent Survey

This survey is designed to investigate the opinions of parents and caregivers on Kingscliff Public School's future WasteWise program. Sustainability is an important issue and at Kingscliff Public School we have been exploring ways in which we could move our school towards a more sustainable future. The WasteWise School programs purpose is to educate our students and community about recycling and minimising waste to landfill. This survey is designed to investigate the opinions of parents and caregivers on Kingscliff Public School's future WasteWise program.

*SPECIAL ANNOUNCEMENT**

This week we are launching our **2019 Colour Run FUNdraising**. A parent information letter and sponsorship booklet was sent home with students on Monday.

Important Dates

Fundraising Starts: Monday 23rd September 2019

Fundraising Closes: Friday 8th November 2019

Colour Run EVENT: Friday 13th December 2019 (more information about the event will be provided in Term 4)

This year we will have a class competition for the most profiles created by the last day of Term 3 (based on percentage). The winning class will receive an incentive of a muffti day and ice-blocks on a day in Term 4. This way students can create their profile ready to use the holidays to start their fundraising.

THE S.R.C. ARE RECYCLING BREAD TAGS TO FUND WHEELCHAIRS FOR PEOPLE IN NEED AND WE'D LIKE YOUR HELP!

Calling all bread lovers! Whether you're a wholemeal, seeded grain, gluten free, thick sliced, thin sliced, bun, roll or english muffin type of person, there's something you all have in common. And we want it!

Hint: It's these tiny, colourful pieces of poison... whoops, we mean plastic.

We know many of you avoid bread in plastic bags and choose paper or reusable bread bags instead.

But this is for the odd occasions; the "I forgot the bread and the bakery has already closed" supermarket dashes, where collecting one of these tags is inevitable. In those cases, we want you to hold onto them for us.

Collect your bread tags and bring them to school. There is a collection container in every classroom!

KIMP NEWS

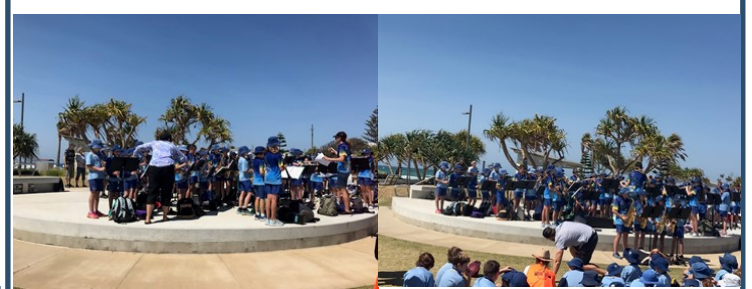

What a fantastic end to the term our KIMP musicians have had. Last Monday saw our annual **KIMP By The Beach Concert** to kick off Beach and Creek Week. We certainly kicked it off and I know the big audience was BLOWN AWAY by our performance! Senior Band were amazing from their flash mob rendition of "Louie Louie" at the start to the traditional YMCA to finish it off. I am so proud of the students in this band - how they perform, how they work together as a team, how they deal so well with the unexpected...eg. music flying away or stands falling over! It is a great joy to have the privilege of working with them all and Monday's concert was a tribute to how far they have all come this year as an ensemble.

Tuesday saw our Intermediate Band head to Pottsville for a workshop with their bands and their band teacher Yvonne Thompson. It was a great morning and we all learnt a lot from the experience. We are looking forward to playing for parents next term...watch this space for details!

To finish off our term today the Big Band returned to Feros Wommin Bay to play for the residents there. If anyone has been watching "Old People's Home for 4 year olds" on the ABC like I have (need tissues!) then you will know just how important it is for us to give our music to this very important part of our community. Keep an eye out for the Tweed Daily News on Wednesday!

KIMP Term 4 - Timetables will go home this week and bands will start again first week back - normal days and times. Next term we will start planning for KIMP 2020 with demonstrations for the Year 2s and then try outs for students who are interested in learning an instrument in 2020. This is always a very exciting part of the year!
