PRINCIPAL NEWS

Les Peterkin Portrait Prize for Children

The Les Peterkin Prize is a collaborative project of the Tyalgum Public School and the Tweed Art Gallery and is in its 23rd year. This year several students from Kingscliff Public School entered and many have earned awards in their category. One lucky student's work was chosen to be on the postcard sent out, as an invitation to the official opening of the exhibit on 26 September. Congratulations Ayla. Her art reflects her "Connection with Nature".

Absenteeism

While students should attend school every day, there are times when they should stay home. If children are not well, please keep them home, to rest and recover.

Many children are coming to school unwell lately, and I urge parents and carers to listen to your children if they say they are unwell. We are calling families daily to come and pick up sick children. Not only is it difficult for the child who is unwell, I know it can be challenging to arrange to pick up children during the working day. Their presence is also posing health risks to others, who are well and at school. Can't wait for flu season to be over!

2020 Enrolments

Please continue to bring in your enrolment forms for Kindy 2020. Our numbers are slowly increasing, but if you know of anyone in the area, who have children turning 5 by July 2020, they should be enrolling for school. Please encourage them to begin the enrolment process NOW!

Our transition program begins in term 4, and we are already organising the program. We don't want anyone to miss out. Thank you for your help with this matter.

Purchase of new/own instruments for existing KIMP students

Last week I sent a note home with all KIMP students who are currently hiring a school instrument regarding purchasing their own instrument. As we start planning for 2020 it is important that we have school instruments to offer our new KIMP students. If your child has had the benefit of a school instrument for a year or more it is time to look at purchasing an instrument for them. I am able to offer lots of help with what brand, where to look and most importantly what to NOT buy! A good instrument is an investment and will hold its value and make a very big difference to your child's progress and enjoyment. Please email me and I can guide you regarding this important decision.
