## PUBLIC SPEAKING A GREAT SUCCESS

Congratulations to our Public Speaking finalists! All the speeches were fantastic and we congratulate every student in the school for their participation! Will P, Lachlan G and Kai F will represent our school at the District Competition in two weeks. We wish them luck.

## PRINCIPAL NEWS

I would like to congratulate everyone who participated in the **Public Speaking Finals** last week, what an outstanding effort. All students spoke well and even the teacher from Kingscliff High School commented on the high calibre of speeches on the day too. I would also like to thank Mrs Davidson for all the time and effort she put in to the organisation of the day and to the lead up too. We are very lucky to have you in our school. Good luck to our finalists that are now moving on to the district finals.

This week we have an **information evening** for all parents with children starting **Kindergarten in 2020**. We will be holding this information evening in the Library, starting at 6pm on **Thursday 12<sup>th</sup> September**. We would love to see you there.

Good luck to all the students participating in the **North Coast Athletics** carnival in Lismore this Friday. Congratulations for getting this far and I look forward to hearing about your results on your return next week.

**Beach and Creek Week** is starting next week. I would like to remind all parents and carers that our Band will be playing at the Beach in the main part of town next Monday at 12:15pm. This is a free concert and it would be great to see you all there. Well done to our band that was been practicing hard, I can't wait to hear you play. A huge thank you to Nicky and Rob for getting the band ready as well.

To help us launch our annual Beach and Creek week, this **Friday 13<sup>th</sup> September** we will be having a **BOARDIES mufti day**. Students can wear their board shorts to school and bring in a gold coin donation. All money raised will go to support our local surf clubs, through a donation to Surf Lifesaving Australia.

Have a great week, thinking of all those effected by the fires, let's hope they get them all under control.

## KPS WasteWise Program Parent Survey

This survey is designed to investigate the opinions of parents and caregivers on Kingscliff Public School's future WasteWise program. Sustainability is an important issue and at Kingscliff Public School we have been exploring ways in which we could move our school towards a more sustainable future. The Wastewise School programs purpose is to educate our students and community about recycling and minimising waste to landfill.

We would like to say a huge thank you to all of the parents and carers who packed a **NUDE LUNCHBOX** on Monday.

We were overwhelmed to see so many amazing wrapper free lunches! We understand it takes a big effort to change lunchbox habits, so we really appreciate seeing so many kids having a go.

The best classes for each stage were **KF, 1H, 3WS and 5/6C**. Congratulations!

We look forward to seeing even more incredible nude lunchboxes next week and to paving the way towards sustainability at school.

**THE S.R.C. ARE RECYCLING BREAD TAGS TO FUND WHEELCHAIRS FOR PEOPLE IN NEED AND WE'D LIKE YOUR HELP!**

Calling all bread lovers! Whether you're a wholemeal, seeded grain, gluten free, thick sliced, thin sliced, bun, roll or english muffin type of person, there's something you all have in common. And we want it!

*Hint: It's these tiny, colourful pieces of poison... whoops, we mean plastic.*

We know many of you avoid bread in plastic bags and choose paper or reusable bread bags instead.

But this is for the odd occasions; the "I forgot the bread and the bakery has already closed" supermarket dashes, where collecting one of these tags is inevitable. In those cases, we want you to hold onto them for us.

Collect your bread tags and bring them to school. There is a collection container in every classroom!
