## PRINCIPAL NEWS

### Year 6 End of Year Activities

After careful consideration, the stage 3 team have come up with an interesting range of activities to celebrate the milestone of completing primary school. Year 6 will engage in a special fun activity day, followed by their farewell dinner and disco; christening the new school hall with the big occasion. Unfortunately due to the distancing requirements for our large group, no parents will be allowed on site, but we are trying to arrange for socially distanced photos to be taken as students enter the school. More information to come.

An information page has been sent home to all Year 6 students and we have already received many responses to the questionnaire. If you have not already done so, please respond as soon as possible so that final plans can be made. I know this will be a fantastic event for all of year 6.

### Awards and Presentations: Celebration of Achievement

The staff and I are now planning for the stage 2 and 3 presentation assemblies: our "Celebration of Achievement". This, too, will look very different this year. In order to have parents on site to celebrate this event, our student body will not be able to attend in person. The event will be recorded for internal use and zoomed live into each classroom.

<https://www.facebook.com/KingscliffPublicSchool>

[https://www.instagram.com/kingscliff\\_ps/](https://www.instagram.com/kingscliff_ps/)

While explicit details will be provided for those attending, here is a brief summary of what this would look like:

- ♦ Award recipients will attend, only for the time that they are being presented the award.
- ♦ For those receiving awards, parents will receive an invitation via Seesaw, inviting them to attend the presentation.
- ♦ Attendees will have to register attendance via a google form.
- ♦ Max. of 2 adults per student. No toddlers or other siblings as they then add to the square metre rule. (A baby in a pram would equal an adult place).
- ♦ There will be no dance or band performances during the presentations, (they also are part of the square metre rule).
- ♦ Attendees **must** remain seated for the entire presentation, can not leave prior to completion.
- ♦ The recorded zoom will be available via Seesaw as this is a private "class" platform.

Information for Stage 1 and Early Stage 1 Presentations will be sent out to families via Seesaw. Traditionally these classes have not received specific academic awards, therefore stage assemblies will look different to stage 2 and 3.

I hope you all know and understand that we are doing our best, in difficult circumstances, to include parents where we can.

Thank you
