## PRINCIPAL NEWS

### Kingy Catch up

This semester the monthly Facebook Live has been a great way to get information out to all of our families. Please join me for my next "Kingy Catch up" this Thursday, at 12:30pm.

Topics to be covered will include end of year activities such as presentations, class parties and student elections.

### Class parties

All classes will have their party day on Monday, December 7<sup>th</sup>. We will have a whole school Mufti Day and each class will decide how they will celebrate (eg. movie, disco, games etc). To ensure a COVID safe fun day for all students, the school will be providing some snacks for students to enjoy. We ask that students do not bring treats from home this year. I know everyone will have a fun day, to wind up 2020.

### Celebration of Achievement

Our celebrations this year will look a little different. Even though restrictions are easing, we still must maintain social distancing guidelines, particularly for adults.

So that we can have parents and carers sharing in this year's celebration, our main student body will observe from their classrooms, via zoom. Award recipients from each class will come to the hall in turn.

Parents of award winners will be invited to attend the proceedings, with strict rules in place. All attendees must preregister by the QR code provided in the invitation,

with a maximum of 2 adults per student. Other guidelines are also outlined in the invitations.

We appreciate the significance of these celebrations to the students and families and we will most certainly endeavour to make the event a memorable one, celebrating outstanding student achievement.

### Student Leadership Elections

It is election time for the student leaders of 2021. These elections will also vary this year, as we still cannot have our whole school in one assembly space.

Student nominees have recorded their speeches on Monday, this week. All classes will view the speeches on Thursday and vote on their chosen candidates. Recordings of the speeches will also be made available through Seesaw on Thursday, for interested parents / carers.

Successful candidates will be announced at the Celebration of Achievement Presentation. Our Student Leaders' induction will occur in Term 1, at a dedicated assembly. Hopefully, by then we will be able to have parents on site. Information will be updated next year.
