## PRINCIPAL NEWS

The time has come for all of those end of year activities to be ticked off the calendar. As previously mentioned, this week is very busy with activities throughout the week.

Stage assemblies will be going ahead as planned. Even though restrictions are lifting, we still do not have the capacity to ensure 2m<sup>2</sup> rule for all adults to attend, based on our average attendance at past end of year functions. We wish to hold our presentations in the hall, to avoid extreme heat and wind, which are so common at this time of year.

We have developed a solution for our final day, which is particularly pleasing for year 6 families. After the Year 6 final roll call, the traditional arch way as they leave the school, is now a clapping corridor, set out around the school oval. Year 6 parents will be able to view the event, from the pedestrian path in the staff car park. Students can leave the grounds through the double gates at the southern end of the school oval, if their parents are present. We ask that all in attendance, to do their best to maintain distancing between family groups. Each child can have 1 or 2 adults in attendance for this event.

With Kingsley Day on Friday, there will be our final PBL prize draw, with major prizes up for grabs. The lucky draw will be held on Friday morning. All prizes are from Rebel Sports, thanks to their loyalty vouchers; funded by sales to community members, who nominated our school.

School reports will go home on Friday, please make sure you ask your child for their report card, so it is not left in the school bag for too long!

### 2021 Return to School Timeline

A reminder that at the start of 2021, there will be changes to staff development days. We currently have one at the start of terms 1, 2 and 3, with two others at the end of the year. The final days are flexible, in that staff can chose to complete some evening sessions, in lieu of the final two days in December. This is what Kingscliff Public School have done in the past few years.

As of 2021, we will have two staff development days to begin the school year and only one at the end. Here is an overview of our first couple of weeks.

#### Week 1:

### Personal Stationery Orders

Information will be sent out this week about what is needed for each year group in 2021. All students require these items for the school year ahead. Thank you for your assistance in this matter.

### Uniform Purchases

There will be a uniform "pop up" shop in January, in the school hall. We will post times and dates on Facebook and School Stream, for your information.

Enjoy the week ahead.

## KIMP NEWS

What a wonderful week we've had with KIMP to finish what has been a crazy year! Yesterday our Intermediate Band were very excited to give their first performance for the year. They played three pieces for our Year 2 classes who were very happy to hear them as many of them will be learning an instrument next year. We followed this with our first ever KIMP Carolling—which was our busking moved to classrooms because of the weather! Then today saw our Senior Band once again rise to the occasion and perform as parents were arriving for the Year 3/4 and Year 5/6 Awards Assemblies. It was amazing to see these senior students performing and so great to be able to play at school again.

We will miss our Year 6 KIMP students terribly—they are all beautiful students and have been a huge asset to KIMP over the years.

Thank you
