## PRINCIPAL NEWS

What a fantastic week we had.

### School Leadership Assembly

We started the week with our first School Leadership Assembly. Usually school leaders are presented with badges during presentation day. This year we decided to have a special assembly, where leaders including school and sport captains, would be given their badge at a Leadership assembly. It was wonderful to see so many parents come along and pin badges on their children, such a proud day.

Congratulations again to all our leaders and a huge thank you to the Copping Family for donating the money to the school for all the badges.

### District Swimming

On Wednesday we had 39 students compete at the District Carnival at Banora. It was a great day that saw so many of our students gain places in the zone swimming carnival that is taking place this week. A big thank you to Mr Prichard for organising and well done to all the Kingy students that represented our school.

Good luck to all the students competing in the Zone swimming carnival this week, we know you will do your best and make us proud.

### Kingscliff High School Visit

Thursday we also had a visit from Mr Mathias and Ms Walton from Kingscliff High School. They came in to talk to our Year 6 students about all the opportunities Kingy High has for them in 2021. It was great to hear about all the amazing things students at our feeder High School get to do. Our Year 6 students got to ask lots of questions and are really looking forward to Year 7 now. Please keep your eyes open for other opportunities during the year where our students will even be able to visit the high school and get to meet many of the staff.

### AFL Suns Visit

Friday we were lucky to host a visit from some of the AFL Suns players. No.5 Jarrad, No.19 Josh and No.20 Jack. It was a wonderful afternoon with our Year 5/6 students finding out more about the players and just what the day of an elite sports person looked like. The kids even got to kick a footy with them and many also got little footballs signed.

Mrs Foley has been away for a few days last week and this week as her daughter was getting married. We hope Mrs Foley had a wonderful day with her family and we are sure the Wedding was beautiful.

## KIMP NEWS

It's hard to believe we are already into Week 5 of Term 1! We are in a great routine of lessons and band rehearsals at school now and I have been impressed by how well all our students are remembering their lesson times so far this term. A big thank you to both parents and teachers for helping make sure students know what time their lesson is. I love seeing lesson times written on their hands and some of the kids (and teachers) have alarms set on their watches so they don't forget their lesson. It means a far more productive lesson for everyone if all the students turn up at the right time.

Speaking of routines, now is the time to make sure that you have a practice routine established at home. The initial novelty will wear off especially for our beginners but if you already have a practice routine in place at home they will just keep practicing even when they don't feel like it. It DOES take effort from parents to make it happen but it is worth it. They will progress quickly and enjoy playing more and stick with it if they are practicing consistently at home. It is very easy already for Mr Walsh and I to see the difference between those students who are practicing and those who are not. Consistency is the key!

I will be giving all students a practice sheet next week so they can record their practices and have parents sign the sheet each week. Senior Bands students have been told that if they are not practicing they will be moved back to Intermediate Band until they show the commitment expected of Senior Band students.

On that note, I hope that your homes are full of lots of wonderful sounds...they will all improve with practice I guarantee it!

Thank you for all the wonderful support at home...it's what makes the difference!

Thank you,
