KIMP NEWS

WOW!

What a couple of weeks it has been for all of us. Yesterday we had our first day of KIMP lessons online using Zoom and it was pretty amazing really. If you had of told me three weeks ago we would be doing KIMP lessons from our lounge rooms, bedrooms, offices I would have thought you were crazy!!! The lessons so far are proving to be great and will only get better as we learn and grow with it all.

Don't worry if you missed your Zoom lesson, don't have the details yet, or can't work out how to set it up!!!! You're not alone in this! My goal is to have everyone set up and having had a go before the end of next week. Please email me and let me know what's happening for you and we will work it out.

A huge thank you to our amazing KIMP families for your incredible support and getting on board so quickly. It was awesome to see the kids yesterday and Rob is looking forward to his first day of Zooming today as well.

Please email me with anything at all ... I will get back to you! As I keep saying to KIMP families "we got this!!!!"
