PRINCIPAL NEWS

Information Session Reminder

Exciting times! I remind all of our school community that 'Community information sessions' will be held this week, in the school hall on March 5th: two sessions- 9:00 - 10:30am and 3:00 - 5:30pm.

All are welcome to attend. Find out more about our new school build.

Safety Message - Pick up zone

Mrs. Mirana and I work very hard to keep our pick up zone moving smoothly each afternoon, but we need your assistance. Please consider the following points:

- Having a name card on your dashboard, or visor, really assists us to call students to the curb. Please make your own, or call the office and they will happily assist. In making your own, they must be **printed in large bold, black font**. We cannot see handwritten signs in the glare of the sun, nor from a distance.
- Remember, the pickup area is a **NO Parking Zone**, in the afternoon. Stay in your vehicle. Empty cars block other vehicles and reduce the flow of traffic. Council rangers do patrol and issue fines to cars illegally parked.
- Once you have your children, continue driving down Orient Street, past all buses and the school zone before making a U-turn in a safe place, or drive around the block. Be SAFE and consider other road users in this very congested space.

Change of Season

As summer leaves us and autumn approaches, we are noticing a few sniffles around and the use of tissues has gone up already. Each year, we go through an extraordinary amount of tissues boxes. Tissues are a personal use item, rather than a 'school supply' item. To better accommodate the amount of tissues used by all students, we request that each family support their child's class by donating a box of tissues; the collective will be for shared use throughout the year. The school will, of course supplement, where and when required. Thank you for supporting Kingscliff PS in this way.

KIMP NEWS

As we start Week 6 of the term (I know already!!) it is wonderful to hear the progress that many of our KIMP students are making. This week all KIMP students have been given a practice journal to take home and fill in each week and have signed by a parent. Please read this sheet with your KIMP student and there is some "Family Homework" to complete as well - watching a 5 min TED talk video with your musician. The details are on the bottom of the practice sheet. Students have also been given a homework sheet to complete at home. I will be giving them one each week to help reinforce concepts we are learning in our lessons. This week's focus is Rhythm.

Ex-KIMP students - "Where are they now?"

I thought it might be fun to keep you updated from time to time with what some of our ex KIMP musicians are doing now.

One of our students Jacob Brown (who has been coming back as a mentor for the last couple of years) has just started his university degree at QUT in Brisbane studying Drama. He made a special trip home last weekend to get his trombone as he has joined the QUT Big Band and Wind Symphony! Jacob started with KIMP in year 3 on the Euphonium and went on to play the Trombone and Tuba as well!

My own daughter Amy has just started at Sydney Uni and sent a message asking for her saxophone to be sent down to Sydney so she could join an ensemble down there. It's fantastic to hear about our KIMP graduates continuing to play music in their Uni years - what a wonderful way to meet new friends!

A reminder please email me with any questions or concerns - it's the easiest way for me to get back to you quickly.

Thank you,

Nicky Cooper

**Have you
tried Physie
yet?**

Physical Culture (or Physie as most people call it) is a sport that fuses dance styles such as jazz, ballet, hip hop, contemporary, aerobic dance and even yoga, with a focus on fun, friendship and fitness.

The benefits to participants are increased co-ordination, brain development and most importantly, confidence. Physie is a dance class that can be enjoyed by all members of the family.

Physie is about empowering girls for life. It is a sport for all generations. Physie is low cost with class fees for participants at a maximum of \$10 per hour.
