### PRINCIPAL NEWS

#### New Build Information Sessions

Last week many of you attended the information sessions held at the school, which provided details about our new school. The team were impressed with the number of interested parties and the quality of the questions asked. Thank you all for your keen interest.

As the team stated last week, there will be ongoing updates as each phase of the build progresses. Should you have any questions, do not hesitate to contact them on the number or email provided on the flyer.

We do have the large presentation posters up in the administration block hallway, near the staff room for you to see, if you couldn't make the meeting. The flyers and posters have been uploaded onto our school's website for your information.

#### External Providers

At times, it is necessary for students to have external providers attend the school for their specialist therapy sessions. This may be linked to NDIS packages or specialist recommendations. New procedures are now in place for parents/carers and external providers who want to use school facilities to provide services, in school time.

We will be contacting families with existing services, this week, for completion of the required paperwork and a briefing on the new processes. Provision of space and time for such services are at the discretion of the school and dependent on the space available, as well as how it fits with the students learning plans. Approval must be sought from the school Learning Support Team, prior to any service commencing in the future. Mrs. Mirana will be overseeing this process with the Learning Support Team. Please feel free to contact her should you have any inquiries.

### ASSEMBLY TIMES

Whole School	11:45am	Monday weekly
Stage 1	11:55am	Wednesday even weeks
Stage 2	12:45pm	Wednesday even weeks
Stage 3	12:45pm	Wednesday odd weeks

#### Parking and Pick up areas

Last week, the highway patrol officer attended the school during pick up time. He was quite distressed at the poor driving behaviour of many parents during the peak pick up times.

Please adhere to both the parking and driving rules.

- ✓ Do not "park" in the pick up zone,
- ✓ Do not double park to pick up children,
- ✓ Do not queue to wait to get into the pick up zone - drive around the block if necessary,
- ✓ Use the crossing to cross the road with your children, and
- ✓ Put surname signs on your dash or visor (or ask the office to make one for you)

I urge you all to consider all users of this area. Please and help us to keep our children safe.

#### School Hats

A reminder that hats are part of our school uniform. Quite a number of students are fraying edges, writing on and having logos and patches sewn on their hats. We ask for your support to stop these practices. Patches can be sewn inside, if really needed for identification. Senior student leaders require school hats for official functions and frayed and marked hats will not be accepted for such events.

#### Bus Behaviour

Some students are carrying scooters and skateboard on the buses. While, many older students cope very well with this, some younger children do struggle to keep control of these on a moving bus. Please consider carefully, whether or not this is **necessary** for your child. We have already had an incident, where an innocent bystander was hit with a scooter, while little ones were playing around with it. Please see the attached flyer about bus behaviour. We ask for your help to ensure all students understand their responsibilities while travelling on school buses.

#### Hand washing at school

For your information, all students are being reminded daily to wash their hands after using the restrooms, as well as to use hand sanitiser, supplied in each classroom before eating.

## KIMP NEWS

### Practice Journals

Last week all KIMP students should have taken a practice journal sheet home with them (Yellow for Beginners/ Intermediate Band and Pink for Senior Band/Big Band). If you have not yet seen one could you please let me know and I will make sure one goes home again this week. We are working on building our practice routines so parents/carers need to sign for each week and there are practice tips and expectations written on the journal sheets.

### Family Homework!

There is also some family homework on the sheet with a 5 minute TED video for all KIMP students to watch with parents at home..."How Playing An Instrument Benefits Your Brain" by Anita Collins (in case anyone else would like to watch it).

### Easter Hat Parade!

I know surely it can't be getting near that time already? Tuesday 2nd April 12pm (Week 11) we will have our annual Easter Hat Parade for Kinder to Year 2 and the Senior Band will be providing the music. No mean feat given we will have only had 8 rehearsals for the year so far.

I hope everyone has a great week and you are hearing lots of practice at home...consistency is the key and lots of positive support and encouragement!
