## PRINCIPAL NEWS

Dear Parents,

These are certainly unprecedented times for us all. Kingscliff Public School remains open to educate your children. However, our school team has been preparing for "Learning at home" over the last couple of weeks and we have kept you informed of what we are doing so far, as per information sheet that went out last Friday.

As of this morning, the Premier, Gladys Berejiklian has confirmed that schools are currently open, however, "for practical reasons, parents are encouraged to keep their children home".

What does this look like?

- If you are able to keep your children at home, please do so. You can use the resources we publicised last week. In addition, some resources have been sent home today, along with a suggested timetable for learning at home.
- If you do not have that option, please do not hesitate to send your children to school. We will be here for them. Of course, if they are unwell, keep them home.
- If your child is already at home and you would like to access additional learning options, they can be collected from the school. Please come in throughout this week, avoiding peak times from 9 to 9:30am and 2:30 - 3pm. Your child can go to their class to get their resource package.
- For those of you with limited internet, we have started to put together a package for students to take home. Once this is ready, we will notify everyone, so that if you are at home already, someone can collect it from the school. Current planning, will take us to the end of this term.
- The Seesaw app will continue to be our main class communication app, while school Stream will post updates as they come to hand.
- Please check the Department of education website for Learning at Home at :  
<https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-from-home>

To those of you who will be dropping children at school, I ask that you all respect the social distance rule. Please drop your children at the gate, or walk them to their room (if in Kindergarten) and leave promptly. Please do not linger, chatting to other parents or children.

Thank you all for your ongoing support and understanding.

## KIMP

Mrs. Cooper has been very proactive in how she can continue our music program and I thank the many families, who have already paid for KIMP fees for Term 1. I know these are really stressful times for everyone, but I request that if possible, outstanding KIMP fees for Term 1, be paid. Remember, KIMP is a user pay program and Mrs. Cooper has been teaching your children all term. At this stage, we are not sending home any other invoices for books, reeds etc, until we have a clearer picture of what the future brings.

## SPORT

All PSSA sport has been postponed, some cancelled.

## CANTEEN

The Canteen will continue to operate until further notice, but all food MUST be pre-ordered.

Thank you

## KIMP NEWS

Hi KIMP families,

Thank you for your support and patience as we adjust to the unfolding situation throughout the community.

I said to our KIMP students last week that I understood them all being really disappointed about the temporary cancellation of band as we all love it and look forward to it - I think some of them didn't realise just how much until we couldn't do it!

I am currently exploring the use of online teaching platforms to allow Mr Walsh and I to do video lessons and I'm really excited by the fantastic options that are available to us that a number of other schools (including the Conservatorium High School in Sydney) are already using. One of my friends is looking at setting up a Virtual Solo Competition for her students so I am really keen to find out about that and do a KIMP version!

Thank you so much for your support of Rob and I, the KIMP program itself and your wonderful musical children who make it the fantastic program it is. Making music and listening to music is wonderful for the soul, so what better excuse to play as much as they can at home in the current circumstances. As I said to the students last week we can use this time so that when we are sitting back beside one another in band we will sound better than ever and be better musicians for the experience.

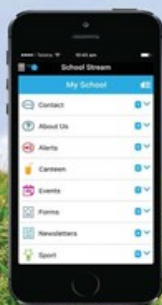

Please email me with any questions...which I will try and answer!
