PRINCIPAL NEWS

Welcome Back!

It was wonderful to welcome back all of our families yesterday. Students across the school have been excited to reconnect with friends and their teachers.

Drop off went quite smoothly in the morning, with only a few students feeling a little worried. They were escorted around to their classes, and reunited with their friends. Several parents on the other hand, were doing a happy dance, as their children ventured into the school gate. Most have been quite happy to see the end of "learning at home".

Please remember that K-2 students and siblings will be picked up at 2:30pm, until further notice, unless they catch the bus or attend Mad Sports each afternoon.

To assist with traffic flow at pick-up time, please remember the following:

- Use name signs in your car window. The school office will be happy to organise this for you.
- Stay in your car when in line at pick-up, this keeps the traffic flowing and assists in preventing congestion.

Please return all school devices (and chargers) to class teachers for checking and re-entering onto our school inventory, for use at school in the days and weeks to come.

Here are a few reminders to help us get back into our school routines:

- Remember your school bags - yes a few were forgotten on Monday!
- Names on jumpers, hats and water bottles
- School jumpers/jackets only please (or at least blue, if you don't have one)

- Canteen open Tuesday - Friday only. **PRE-ORDERS** only
- Canteen orders can be paid by eftpos, outside the office. A table will be set up near the front doors for this purpose. Adults are not to go to the canteen.
- Uniforms - check the office for availability of size; pay online or via eftpos. Additional orders can be made directly to Mr Charles.

Semester 1 Reports

As this term draws to a close, we have been adjusting our reporting template for this period. Student reports, for term 1 and 2, will look different to previous years. We will not be grading students A-E. There will be an overview of content covered in terms 1 and 2 for English and Mathematics, however, we will not report on the other learning areas. Absences and general comments will also be included.

To help us determine the full impact of "learning at home", students will be completing a reflection sheet about their learning over the past several weeks. We are also interested to get feedback from as many parents as possible too. A google form will be sent out by Wednesday this week, asking some questions about your experience. We value your input, please complete these the best that you can.

KIMP NEWS

Welcome back everyone!

It has been so wonderful to see everyone and their smiling happy faces, and that they are all so keen to get back into KIMP lessons! There is a temporary timetable for this week so I can at least see everyone and work out where we are all up to. If you didn't receive my email with a copy attached please just email me and I'll make sure you get it.

I think that's it from me this week - I know, most unlike me short and sweet! You have all been very patient with my lengthy emails over these past couple of months. If you haven't been receiving my KIMP emails (lucky you...haha!) please email me so I can make sure you are on my group email.

A huge congratulations are in order for two of our Year 6 KIMP students - Olivia Irvine and Josh Dodds - who have both been accepted into the Music Excellence Program at Palm Beach Currumbin State High School for next year. This year there were only 6 out of zone positions available for Music Excellence and 2 of those places went to KIMP students! A testament to these two hard working and talented student as well as the quality of our KIMP program. Whoo Hoo and well done...super exciting!!!

Thank you,

Nicky Cooper

This year's book is **Whitney and Britney Chicken Divas**, written and illustrated by Lucinda Gifford.
