PRINCIPAL NEWS

Job well done!

As the days get colder term 2, draws to a close. It has certainly been an interesting few months! I know we have all entered new territory this year and I am so proud of our school community; parents/carers, teachers and students for supporting each other, adapting and doing the best possible throughout COVID 19 restrictions.

In line with health advice, additional adults are still not permitted on our school site. If you need to drop off any items for your child, please do so at the office. The office is open from 8:30 each morning, and closes at 3:15 each afternoon.

I thank all of you for your patience at pick up time, also. It can get a little hectic, but to be able to clear our school in 10-15 mins, each afternoon, is no mean feat! Thank you for your cooperation each afternoon.

A big Thank you

From all staff, we felt quite spoiled, when we received sweet treats from Cubby Bakery last week. They were a token of appreciation from some of our Kingy families involved with the Tweed Coast Church. We loved our delicious snacks, thank you and you are most welcome!

Bus behaviour

Today, the NSW Code of Conduct for bus travel has been reissued with this newsletter. Please ensure that your children know what their responsibility is, when they travel on the bus. Staying safe is a priority.

- ◆ Stay seated
- ◆ Be kind with your words
- ◆ Respect property
- ◆ Do as the driver asks you to do

Failure to comply with the Code of Conduct could result in a suspension of your bus pass for a period of time.

Seasons for Growth

Seasons for Growth is new to Kingscliff PS, and will be available to identified students from next term. Our School Chaplain, Stephanie Dent, has been trained to facilitate the lessons in small groups of students. Please read below to learn more about "Seasons for Growth".

Thank you,

Change and loss are issues that affect all of us at some stage in our lives. At Kingscliff Public School, we recognise that when changes occur in families through death, separation, divorce or related circumstances, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called Seasons for Growth. This program is facilitated in small groups and is based on research that highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.

How would this work? Seasons for Growth runs for eight weeks and each weekly session is 40-45 minutes. The program concludes with a 'Celebration' session. If you think your son or daughter would benefit from Seasons for Growth. It is suggested that you discuss this with your child prior to nominating for participation.

Should you wish to proceed to nominate your child, please contact the office in person, via phone or email. You will be asked to complete an expression of interest slip declaring your interest. Steph will contact interested parties early next term.

Kingscliff Public School is pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who request to be involved.
