Friday 3 July	Last Day Term 2

## PRINCIPAL NEWS

Welcome to Week 6 of Term 2. The weeks are flying by so quickly and everyone has really settled back in. A huge thank you to our parents and carers that are following department guidelines, dropping and picking up students at the gate every day. This has really helped with social distancing and the students have been great with this change too. Parents can come to the office but that is the only place in the school at this stage.

### K-2 - 2:30pm Finish

K-2 are still to be picked up at 2:30pm all this week. We continue with the split pick up times to try and assist with social distancing at the gate. If you are picking up your child at 2:30pm, please make sure they are clear with which gate you are picking them up from - Orient street (near the office) or Sutherland Street (near the bubblers and toilets).

### Drink Bottles

Please continue to send your child with a drink bottle every day, as our bubblers remain switched off. Thank you for remembering to do this. Students can refill their drink bottles in the classroom throughout the day.

### Canteen

The canteen is back up and running again. Parents can pay via eftpos or even online through the school POP account (school website - write receipt number on the bag). Students can take money to the canteen and write their own orders or can bring money in a bag with the order already written on it. If you need to pay via eftpos, you will need to come to the Orient street gate and a special table has been set up there. We have social distancing crosses marked on the lawn. A reminder that the canteen is still operating on 4 days only Tuesday to Friday. The canteen is CLOSED every Monday.

### PBL Draw

Today we did the PBL draw via zoom. All classes were able to watch the zoom and see if their names were drawn out of the barrel. We have enjoyed doing the Facebook Live draws but as all students are back at school now, we feel it is important for them to be able to watch the draws too, so we have picked zoom. We will be doing our draw via zoom each week, until we are able to meet as a whole school again. I will screen shot the draw each week and add a list of students and classes to a FB post. Congratulations to our winners this week.

### Crazy Sock Day

This Friday our SRC (School Representative Council) has decided to hold a Crazy Sock Day. Students can wear crazy socks to school for the day - there is NO DONATION required. This is just a fun day to celebrate being back at school. A huge thank you to the SRC for organising this.

Have a great week everyone.

Kind regards,

**Belinda Mirana**  
Deputy Principal

### Thank-You!

Thank you to Vivienne from Sunshine Sugar & Manildra Group for donating boxes of sanitiser spray and hand gel to assist in keeping our school clean and safe.

## Kingscliff Public School Kindergarten Orientation Program

Is your child starting school in 2021?

## Enrolling Now

We are now taking enrolments for Kindergarten 2021. Enrolment packs are available from the School Office.

## CANTEEN CORNER

A temporary canteen will be operating in the former Learning Centre while the new canteen is under construction.

The canteen will be operating **TUESDAY to FRIDAY** with a revised menu. There will be no burgers, pizza, lasagne or muffins. Menu's have been sent home to all families, and is available on School Stream and the school website.

Due to the current situation, parents are not permitted to access the canteen. Parents can make payments outside the office, or online and provide your receipt number on your child's order. Children can deliver their pre-paid and cash orders to the canteen.

**The Canteen will be limited to Orders Only.  
There will be no sales over the counter.**

**REMINDER - CANTEEN CLOSED MONDAYS**

## LIBRARY NEWS

### Book Club Issue 4

Orders close **Friday 12 June**.

**All orders and payments must be placed on LOOP (NO CASH).**

All orders will be delivered to the school as usual.

### National Simultaneous Storytime

Last week Kingscliff Public School participated in National Simultaneous Storytime. Every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in libraries, schools, preschools, childcare centres, family homes, and many other places around the country to promote the value of reading and literacy, the value and fun of books and celebrate Australian writers and publishers. This year we thoroughly enjoyed Whitney and Britney Chicken Divas by Lucinda Gifford.

## WEBSITE

Did you know that even if you do not have a Facebook account you can see what the school has put on Facebook through the school website.

Simply find the Kingscliff Public School website, scroll down to the social media section of the website on the home screen. Then click on **View our Facebook page**. It may ask you to create an account but click on Not Now then you can scroll through and see everything that has been uploaded.

## KIMP NEWS

A big thank you to those parents who downloaded the KIMP timetable that I emailed home on Friday. If you didn't receive my email, please email me to let me know. I am using my KIMP parent email group for communication so want to make sure that I'm not missing anyone.

I was talking with a KIMP parent about the effort involved in getting kids to practice, the nagging that never seems to end for some, leading you to feel like giving up and wondering if it's worth it. The daily effort and the cost of lessons, especially if your child then doesn't continue learning when they move into high school. I said to them that we just don't know the difference that having had that opportunity to learn an instrument has made or will continue to make further down the track in your child's life. The research is very clear that learning an instrument (for a minimum of two years) makes significant and lasting differences in the brain, above and beyond that of other extra curricular activities. Giving your child this opportunity and love of music has so many immediate benefits, but may also mean that they then value music and give that to their own family one day. No one ever says "I wish I had been allowed to quit learning when I was at school". Ask any adult and they always say "I wish I had kept learning the piano...trumpet...guitar... when I was younger".

I know I am preaching to the already converted here but I think it is worth remembering as I know it can become tedious having to remind them to practice all the time. Just remember the secret is **CONSISTENCY**. I have seen some outstanding progress made over the learning from home period with a handful of students who just practiced consistently each day - not for hours but just that 15-30 minutes everyday. The difference is pretty amazing.

I hope you all have a great week, please email me with anything anytime!

Thank you,

Nicky Cooper
