- Friday 12 June Book Club Issue 4 Closes
Friday 3 July Last Day Term 2

3:00pm finish - Years K-6

Return to full school days for all students.

PRINCIPAL NEWS

Kingscliff Public School is moving forward! While we are still respecting social distance for adults in our work place, this week marks the start of returning to the full school day, for all students. All students will finish school at 3pm, as per "normal" from here on.

To help everyone get back into the swing of things here are a few reminders and suggestions:

- The school site is only open to Department of Education personnel. Therefore, parents are still asked to wait outside of school grounds for their children. If you need to speak to a class teacher, please make arrangements through the office.
- If your children can get the school bus, let them. This will greatly reduce traffic at each of our access points.
- If you are picking up children in cars, please have a sign in your window. **LARGE BOLD BLACK font (size 72-100) please,** to make it easily visible. The office is happy to make you one if needed. Please call our friendly staff to request this.
- Respect the "Kiss and Drop" zone. Stay in your cars and move up the line, as soon as you can. No double parking.
- If the line is full, you are asked to drive around the block and try again. Do not queue across the school crossing. Traffic inspectors are looking for this when they visit schools.
- Pedestrians: please do not congregate around the gate. Keep your distance between each other. (i.e. Social distancing)
- Pedestrians: use school crossing to cross Orient Street. Please **DO NOT** cross between vehicles. This is a dangerous practice and models the incorrect behaviour for your children.

- If you park across the road, children will be asked to walk down to the crossing, to get to their car. Please do not call children across the road.
- Canteen: Thank you for following our protocols regarding orders. Payment is available online, or via EFTPOS at the office. Of course, cash can be taken by students straight to the canteen.
- Drop off: from 8:30am, where possible, as teachers commence duty from then. Students arriving prior to that time must remain seated under the COLA until the duty teacher arrives.

It's hard to believe that term 2 is drawing to a close. Thank you all you're your ongoing support, during these difficult few months. The connection between the Kingscliff community and the school is strong and much appreciated. Here's to a great last few weeks of term.

Thank you,

Diana Foley
Principal

KIMP NEWS

Mini band lessons this week!

This week I tried regrouping our brass and woodwind band students into **mini band groups** and if today was anything to go by it has been a great success...for both the students and their teacher! I know we have all been missing our band time together and it was SO great to play together in a small ensemble again. Based on the positive results and feedback from the kids today I am going to redo the final weeks of the timetable so we can play in these small mixed groups again.

I will email a **reworked timetable** to everyone by the end of the week so when you see an email from me please check the attachment as it will replace the existing timetable. It's worth changing it so thank you for being so flexible!

"Grit" - I have been reading a book lately called "Grit" by Angela Duckworth and have mentioned it to a few KIMP parents. It makes for very interesting reading showing that the secret to achievement is not talent but a special blend of passion and perseverance - grit. I will share some thoughts about it in next weeks newsletter as there is so much that pertains particularly to learning an instrument and that ties in with the brain research showing all the benefits associated with music.

Have a great week!

Thank you,
