Tuesday 21 July	First Day Term 3 for Students 4pm P&C AGM via Zoom

## PRINCIPAL NEWS

A big thank you to our community for respecting our social distancing boundaries, and not entering the school at this time. I know it is frustrating, but on a positive note, it has been wonderful to see our younger students become more confident and independent as they enter the school each morning.

Pick up is a little congested with families gathering on the footpath. This is unavoidable to a point, but please move on as soon as you can, once your children have found you! Thank you for your understanding in this matter.

### Road Safety

#### Kiss and drop zone:

- Thank you to those who have added signs to their windscreens at pick up time. It really does speed things up for us in trying to get students into cars as quickly as possible.
- Please drive forward in the queue as soon as possible, trying not to leave any empty spaces ahead of you.
- Students have been instructed to use the pedestrian crossing to cross the road on Orient Street. Thank you to those parents who have respected this safety rule. We ask that students and adults DO NOT cross the road between cars and/or buses; only use the crossing!

#### Walking home:

- We encourage all students to be safe and responsible as they walk to and from school. This includes using footpaths and/or the grass verge on the side of the road to walk home, rather than using part of the road way.

[https://www.instagram.com/kingscliff\\_ps/](https://www.instagram.com/kingscliff_ps/)

**Stop! Look! Listen! Think!**  
Before crossing the road.

- Please continue to remind your children of road safety rules, including looking both ways before they step out onto the road to cross.

### School uniforms

With the recent cooler weather, many students are wearing jumpers and track pants to school in the mornings, and as the day warms up these items of clothing are being discarded. Please ensure that your child's name is inside their clothes, so that misplaced items can be reclaimed from the lost and found.

I understand the cold snap may have caught a few families off guard, but as winter sets in, can I please encourage all to ensure students wear school jumpers to school. (Note: PSSA jumpers are acceptable) There has been an abundance of multi-coloured jackets, hoodies and jumpers this term.

Please be prepared by next term, blue school jumpers/ jackets only.

Thank you,

Diana Foley  
Principal

## KIMP NEWS

It has been great this week to see more of our KIMP students getting back into a **practice routine** at home. It's so easy to hear the difference and they enjoy playing so much more when they are practicing at home.

If you start to hear these words at home, *'it's boring, I don't want to do it anymore'*, it's almost always because they've lost their routine of practicing. This leads to students not able to play what they could before and then they don't enjoy it. Then they decide they don't want to do it anymore, and that comes out as *'it's boring, I don't want to do it anymore!'*

Similarly, if they get into a positive cycle of practicing each day they get better rapidly, they enjoy playing their instrument more and so the progress spiral goes up instead of down.

If you're struggling to get your child to practice at home set some attainable goals. eg. this week let's do 15 minutes each school day and then have the weekend off. One of our beginners who made incredible progress over the learning from home period just practiced for 10 minutes every day consistently - it's the being consistent that makes the difference.

I know I've said it many times but it's worth repeating - YES it does take effort (and patience) to support and encourage your child to learn an instrument and YES it is worth it! It is making a big difference in their brain development and you just don't know what other positive impacts it will have for them as they go through life. Thank you for giving them this opportunity and for supporting them, it's an amazing gift to give them!

**Lessons this week and next week** - I emailed a timetable for Weeks 8 & 9 to all KIMP parents on Friday. Please email me if you didn't receive yours. There are no KIMP lessons in Week 10 this term. Percussion lessons still via Seesaw but we are looking forward to having Mr Walsh back for the start of next term!
