## PRINCIPAL NEWS

### Welcome to Term 3!

Can you believe that the school year is half over? Hard to believe isn't it? We are all looking forward to the next two terms as we try to settle in to class and school routines.

### Reports

With education delivery in term 1 and 2, combining learning at home, as well as periods of time with students face to face, our semester 1 reports will look different to our usual reports. The reports will highlight what content was presented to students, as well as comments on their engagement in learning over the past 6 months. A to E reporting (grades) has not been used. Student reports will be sent home this Friday. If you have any questions or concerns about your child's learning, I encourage you to contact their class teacher and make arrangements to discuss the matter. Where possible phone conversations are encouraged. Where necessary, face to face meetings can be arranged.

### Social Distancing

Our school continues to manage many COVID19 restrictions to keep your children and the school staff safe. Our school site will remain closed to additional adults, especially at drop off and pick up times.

- Parents are asked to say goodbye at the gate each morning. EFTPOS canteen orders can be made at the front office, as can uniform purchases.
- Families waiting outside our gates each afternoon, will notice markings on the grass areas outside of our fence, to assist you all in maintaining appropriate social distancing between each other and the staff.
- Should you need to drop something off for your child, please leave it at the office. Do not go to classrooms.

We work very hard each afternoon, to get students and parents reunited, in a timely manner. We thank you in advance for assisting us during this time.

### Car Pick Up Reminders

As you all would be aware, our Kiss and Drop Zone on Orient Street can get incredibly busy. After our visits last term, from our local traffic officer, I remind everyone to follow the road rules around our pick up area.

- If there isn't a car space available, when you arrive, keep going around the block and try again.
- On your visor or dash, please place A4 size sign, with your child's SURNAME in **large bold font**, and first name/s below.
- Do not double park, or angle in to the curb.
- Stay in your cars and wait.
- Move forward in the zone, when spaces ahead of you are vacated.
- Leave promptly to enable other cars to enter the zone. This is not time to chat with friends.

### Congratulations

Two of our talented Aussie Rules football players were selected as among the best on the Gold Coast. Well done Zachary Y and Didge R, this is a great achievement.

Thank you

## KIMP NEWS

Welcome back everyone...it's great to be back and I hope that everyone had a very well deserved break after the crazy term that was Term 2, 2020! We are all very excited to be starting band again next week and that's definitely an understatement for me! Rehearsals times are still the same - Intermediate Band Mondays 7.45am, Senior Band Tuesdays 7.30am, Big Band Wednesdays 7.45am. We will be using the hall with some modifications to work safely around the construction that is going on. Everyone will enter the hall using the back doors (that face the oval). Senior Band students are asked to wear their band shirts to rehearsal on Tuesday to celebrate being back!!! Please email me if your child is in Senior Band and doesn't yet have a band shirt.

It was wonderful to have Mr Walsh back on site today doing percussion lessons face to face again - I know his students were very excited to see him. It is very important that every percussion student brings their own drumsticks, book, pencil and practice pad (if they have one) to lessons as there won't be any sharing/borrowing of equipment allowed. It's a good opportunity to help our percussion students be responsible for bringing what they need each week.

Please let me know if you aren't receiving the group KIMP emails as I have been trying to keep parents informed and emailing timetables etc.

Thank you all for your support and continuing to encourage the KIMP student/s in your family...it's certainly been a hard time to maintain momentum and enthusiasm for many of our students but hopefully this term is going to be easier...cross those fingers!
