## PRINCIPAL NEWS

### School Upgrade

By now most of you will be aware that the early works program will be resuming later this week, after a few weeks, at a stand-still. The hall upgrade, with canteen and afterschool care facilities will be ready before the end of this year. Tenders are now out for stage 2 of the works, the main class buildings etc, and will close soon. Mrs. Mirana and I will be participating in our next meeting with the management team, on Wednesday, where we hope to find out more information. Stay tuned.

### End of day

Thank you all for helping to make pick up time a little easier.

- ♦ Social distancing at the gate; spreading the crowd is difficult, but, it does help.
- ♦ The cars are flowing more smoothly, with people staying in their cars, and moving up the queue as a space is vacated.
- ♦ Signs in car window ease identification.
- ♦ Bikes are exiting from the bus gate, easing congestion.
- ♦ More parents are using the crossing to cross the road with students.

All of these factors create a safe exit from school for our children. Thanks for the effort and keep up the vigilance!

## Education Week - Week 3!

Each year education week is dedicated to celebrating learning in our public schools, usually with assemblies, open house, community activities etc. Sadly, with current restrictions, Education week will not be as social as usual.

We are planning activities across the school, with students engaging events such as: sporting activities, dance or music demonstrations, class walk throughs, technology tasks, and kindy students celebrating 100 days of learning!

An overview of the week will be posted through our regular channels, so that you are all aware of what we will be doing. We will be posting items on facebook, our website and through seesaw, so that, while you are not here, you can share our celebrations with us. We are looking forward to a fun, action packed week.

**Time to have fun  
and learn!**

Thank you

## P&C News

Thank you all for the support given to your P&C over the last 2 years.

We have tried to build the interest and membership to support our school to bring the best for our kids. We are proud of the achievements made in our time in the P&C including new ipad stations, music stands for KIMP, supporting the Hub Club, bringing BBQs to athletics carnivals and more.

Thankyou to those who have volunteered on our Mothers and Fathers Day stalls and BBQS.

With a slow start (we all know why) to the year our AGM was put off for 6 months. With the AGM being held last Monday your new Executive Committee Members are;

President - Melissa Ojiako-Pettit

Vice President - Jill Smith

Secretary - Beth Mozolic-Staunton

Treasurer - Melissa Goedhart (continuing)

I wish them all continued success and support from the parents/caregivers and the community of Kingscliff.

Leanne Davey  
Outgoing President

## Office News

### Canteen Orders

All parents wishing to place a canteen order for their child will need to do so at the window along the side of the office. This is to limit the number of parents in the office foyer. Please remember to obey social distancing in this area.

### Parents On Site

Non-essential visitors to the school are unfortunately still not permitted on site. All visitors to the school must use the office as their contact point. Please do not enter the office area if you are sick or have any flu-like symptoms.

### Sickness

All students who have been in Victoria in the last 14 days before the commencement of school must not attend school until they complete the 14 days self isolation period since they left Victoria.

Also if your child is unwell or has flu-like symptoms they should be tested through their local medical practitioner or one of the COVID-19 clinics. Please advise the school should any immediate family members be tested and students are to remain home until the results are known.

## CANTEEN CORNER

A temporary canteen will be operating in the former Learning Centre while the new canteen is under construction.

The canteen will be operating **TUESDAY to FRIDAY** with a revised menu. There are no burgers, pizza, lasagne or muffins. Menu's are available on School Stream and the school website.

**Price Change - Party Pies \$1.50 ea or 2 for \$2.50**

Due to the current situation, parents are not permitted to access the canteen. Parents can make payments at the office, or online and provide your receipt number on your child's order. Children can deliver their pre-paid and cash orders to the canteen.

**The Canteen will be limited to Orders Only.  
There will be no sales over the counter.**

**REMINDER - CANTEEN CLOSED MONDAYS**

## KIMP NEWS

**BAND IS BACK!!!!** How exciting to have our first rehearsals since mid March!!!! It was awesome to see all our band musicians arriving early for band and just the best feeling to all be playing together again. I must admit to preparing myself for it being like the start of the year all over again but was so happily surprised to find it was much better than that! Our sound was really great and the practice that many of the students have been doing over the last few months has really paid off. Thank you parents for all the support and effort that goes into getting everyone to school for early starts - I so appreciate it and think we are so lucky to have such amazing KIMP supporters.

I emailed copies of timetables home and will give students a copy as well. Teachers also have copies for their classrooms so hopefully between all of us we can get everyone into a good routine of remembering their lesson time each week.

We can't wait to be able to perform for the school community again...however that might look! In the meantime please make sure your KIMP musician has a practice routine for home...it will make all the difference!

Thank you for all your support! Here's to a great term!
