PRINCIPAL NEWS

Education Week

Last week we celebrated the joys of learning in our classrooms and the great outdoors. I hope that you enjoyed seeing our classrooms and activities through our video clips and photos sent out via seesaw, as well as Facebook. The videos will be uploaded and stored on our website, for everyone to see what a great school we have.

The sport fun day was a great success for K-2, but sadly the rain forced the postponement of the 3-6 fun day. Hopefully, it will be held later this week. This will be confirmed soon.

Road Safety

Thank you for your cooperation during pick up each afternoon.

- ◆ Many more cars have name cards on their visors or dashboard, making it easier to identify families for pick up.
- ◆ Cars are moving forward in to queue, as spaces become available, reducing double parking and cars pulling in and out of traffic.
- ◆ Pedestrians, waiting for children are showing better social distancing. Can I please remind families not to congregate immediately in front of the gates, or along the curb as this impedes exiting from the school and access to cars collecting students.
- ◆ Adults and students are reminded to cross the road at the crossing. Adults — please do not cross between buses and cars with your children. You are putting their safety at risk. Use the crossing!

Thank you for modelling safe behaviour.

Uniforms

As the days are getting colder, more and more non-school jumpers are being worn to school. Please, ensure your children are wearing uniform to school. Older students, in particular are wearing colourful hoodies to school. Jumpers and seniors' jackets can be purchased at the office. Thank you for your help in this matter.

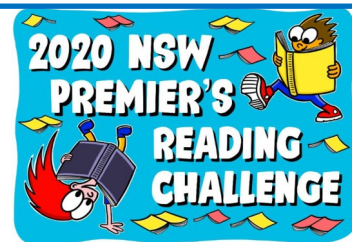

Lost Property

Lost property boxes

The Lost Property Box from the Library will be at the front gate next week for parents/students to check on pick up or drop off. Please check to see if your child's lost items are there.

Thank you

PRINCIPAL

The Premier's Reading Challenge (PRC) is still running and will close on the 28th August 2020. All K-2 students are completing the PRC in Library lessons with Mrs Kershler. Years 3-6 have been taught how to record their books on the PRC Student Site and it is up to them to complete the challenge. Please encourage your Year 3-6 students to continue reading and log their books when they have finished.

Office News

Canteen Orders

All parents wishing to place a canteen order for their child will need to do so at the window along the side of the office. This is to limit the number of parents in the office foyer. Please remember to obey social distancing in this area.

Parents On Site

Non-essential visitors to the school are unfortunately still not permitted on site. All visitors to the school must use the office as their contact point. Please do not enter the office area if you are sick or have any flu-like symptoms.

Sickness

All students who have been in Victoria or Sydney in the last 14 days must not attend school until they complete the 14 days self isolation period since they left these hotspot zones.

Also if your child is unwell or has flu-like symptoms they should be tested through their local medical practitioner or one of the COVID-19 clinics. Please advise the school should any immediate family members be tested and students are to remain home until the results are known.

OFFICE HOURS 8.30am to 3.15pm

Thank You!

A Quick Bite ...

5 Tips to Help With Screen Time at Home

Are you having trouble getting your child off technology or watching television?

Try some of these ideas to reduce the amount of screen time your child has each day:

- Go screen free for weekdays
- Try technology free Tuesdays
- Try imagination Wednesdays
- Restrict times on when your child has access such as "no screen time before dinner"
- Provide seven ½ hour vouchers on a Friday afternoon to last for the week. When your child watches the television, or plays on the computer they hand a voucher back. This limits the child to 3 1/2 hours of screen time over a week.

CANTEEN CORNER

A temporary canteen will be operating in the former Learning Centre while the new canteen is under construction.

The canteen will be operating **TUESDAY to FRIDAY** with a revised menu. There are no burgers, pizza, lasagne or muffins. Menu's are available on School Stream and the school website. Due to the current situation, parents are not permitted to access the canteen. Parents can make payments at the office, or online and provide your receipt number on your child's order. Children can deliver their pre-paid and cash orders to the canteen.

**The Canteen will be limited to Orders Only.
There will be no sales over the counter.**

KIMP NEWS

Here we are in Week 4 already!

It's wonderful to be back in the swing of KIMP lessons and rehearsals. We are busy learning music in preparation for some performances before the end of term. At this stage given COVID restrictions they will be in-school performances but given that we haven't been able to perform all year we are super excited for any opportunity!!

I have been writing in the newsletter about the importance of consistency when it comes to practice. I thought a few quotes from the book I've mentioned before ("Grit" by Angela Duckworth) were very appropriate.

"as much as talent counts, effort counts twice"

"really what matters in the long run is sticking with things and working daily to be better at them"

I thought I'd finish with a few wonderful quotes from 3 of our intermediate band flautists. Venus arrived for her lesson on Monday and announced.

"music is fun and I love it!"

Maggie then said

"Music makes me happy"

and Mila said

"It's nice to listen to"

I think with everything currently going on in the world they are some pretty great endorsements for the value in learning an instrument!!

See you next week!
