PRINCIPAL NEWS

Kindergarten 2021

Our school will be conducting school tours and information session for families of children starting in 2021. Tours are by bookings only and many families have already registered their attendance.

Tours will be on Tuesday 25th August and Thursday 27th, as well as Monday 31st and Wednesday 2nd September. All sessions commence at 5:30pm. They will follow strict sign in procedures and social distancing rules. All participants MUST pre-register. This will be an 'adults only' event and each session has limited numbers.

While we have notified preschools and put it on our social media channels, please pass this information to any neighbours who may be interested. Thank you.

Hats

Our school continues to have a "Hat's on, Game on" expectation for all students. While our school hat is worn by most, several students have taken to applying graffiti, ripping and tearing them, or wearing hats inside out. This is not acceptable. All hats that do not have the full-size brims, will need to be replaced, as they are not sun safe, and students will be asked to play in restricted areas. Similarly, for all hats that are covered in graffiti, stickers, patches etc, I ask that that they get cleaned up or replaced. Thank you for upholding high standards of appearance for our students.

Road and Pedestrian Safety

CHILDREN
CROSSING

Use of pedestrian crossing: Everyday I ask adults to use the crossing with their children, rather than cross between cars and/or buses. Last week, there was a very near miss, witnessed by a few parents.

A child was dropped off, across the street from the school and while the parent waited in the car, the child was sent across the street.

There was a row of cars dropping off, in the kiss and drop zone, and a car pulled out to leave, not noticing that a child was crossing between the cars ahead.

Thankfully, they were able to stop, avoiding what could have been an awful situation. PLEASE use the crossing. DO NOT send children across the road, or pick up and take them across, unless you use the crossing. Your child's safety is at the core of this request.

Our school continues to be a focus for road safety, with another visit from police last week. They have assured us that there will be regular visits to ensure congestion is kept to a minimum, and that all drivers adhere to road rules such as not parking in the pickup zone, queuing across the pedestrian crossing or double parking.

Thank you to everyone who is displaying your names on visors or dashboard, on pick up, and moving up the line as space becomes available. The queue is moving more quickly and I'm sure it will continue to improve.

Adults waiting on the footpath are asked to please stand clear of cars in the kiss and drop zone, and to stand off of the road, so that students can get into cars easily and cars can move away. I know it is a crowded space, but if we all work together the congestion eases quickly. Everyone does not have to pick up at 3:01pm. Consider arriving a few minutes later, once some initial congestion eases. Kindy children can then be given some space to find their parents. Thanks for considering your options in this regard.

Thank you

Thank you.

Office News

Canteen Orders

All parents wishing to place a canteen order for their child will need to do so at the window along the side of the office. This is to limit the number of parents in the office foyer. Please remember to obey social distancing in this area.

Parents On Site

Following an update on COVID restrictions released by the DoE only students, parents with pre-arranged meetings are allowed to enter the foyer. All parent payments, early pick-ups/late arrivals and all other general enquiries are to be handled at the first window along the side of the office with Canteen payments remaining at the second window. Please do not enter the school if you are sick or have any flu-like symptoms.

Sickness

If your child is unwell or has flu-like symptoms they should be tested through their local medical practitioner or one of the COVID-19 clinics. Please advise the school should any immediate family members be tested and students are to remain home until the results are known.

Thank You!

GET ACTIVE: BIKE SAFETY

Remember to CLIP, CHECK, CHIME!

It's a great time to get active by cycling safely outdoors

Just remind your children of these three steps each time.

Volunteers

URGENTLY needed

The Canteen is urgently seeking volunteers for Friday's. If you can spare a couple of hours on a Friday morning please contact the Office.

CANTEEN CORNER

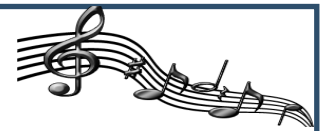

A temporary canteen will be operating in the former Learning Centre while the new canteen is under construction.

The canteen will be operating **TUESDAY to FRIDAY** with a revised menu. There are no burgers, pizza, lasagne or muffins. Menu's are available on School Stream and the school website. Due to the current situation, parents are not permitted to access the canteen. Parents can make payments at the office, or online and provide your receipt number on your child's order. Children can deliver their pre-paid and cash orders to the canteen.

**The Canteen will be limited to Orders Only.
There will be no sales over the counter.**

REMINDER - CANTEEN CLOSED MONDAYS

KIMP NEWS

Hi awesome KIMP community! Today we have received new COVID guidelines from the Dept which unfortunately means that we have to stop band rehearsals and planned performances for the remainder of the term. There will also be some changes to lessons but we are still working that out at the moment. I will be in touch with all KIMP parents via email to let you know what we are doing. Thank you so much for your patience and support as we navigate another change!

So no Senior Band or Big Band tomorrow and Wednesday. Please bring instruments to school on your lesson day and I will let you know what is happening with lessons. Percussion lessons with Mr Walsh will be as normal.

Thanks so much, I will be in touch with everyone.
