## PRINCIPAL NEWS

### Updating contact details

Schools are very busy places and each day, for a myriad of reasons, we need to contact parents. We are currently updating our contact details and request that should you have had any changes, please notify the office. Here are the things to check. Do we have:

- ◆ Current phone numbers
- ◆ Emergency person, if we cannot contact parents
- ◆ Current email address
- ◆ Current home address

Thank you for assisting us to update our records.

### Morning arrivals and afternoon pick ups

As you are aware our teachers are on duty from 8:30 each morning. Other than students who have prearranged, scheduled events (eg: band or music lessons) or arriving on the first bus, students should not be at school prior to this. Early arrivals must attend their event or sit under the COLA, to wait for the duty teacher to start.

I have noticed drop offs getting earlier and earlier, with some students here at 8am or earlier. In exceptional circumstances, we can accommodate this if required, but this should be prearranged.

With the hall build progressing well, I remind everyone, that the trades begin work each day at 7am. Deliveries take place where possible before school, with more vehicle movements in the early hours. While there are some staff members on site, students here early are not directly supervised. Please assist us to keep all children safe by arriving at 8:30 or later. Thank you.

Our afternoon pick ups are improving. Thank you all, for getting those signs in your windows and moving the queue forward as soon as you can.

### PBL News: Message from Team Leader - Anita Ferguson

The Positive Behaviour for Learning (PBL) Team are happy to be progressing on the KPS PBL journey. We have implemented the whole school Universal School Expectations: Be Safe, Be Responsible, Be Respectful, Be Resilient. We have implemented weekly PBL lessons on a specific expectation. We have introduced the Kingsley awards (fast and frequents) and the weekly barrel draw to reward students showing the school expectations.

As we continue our journey, we would like to invite a member of our school community to join our team. You would become the Community Member of the PBL team. In this role, we would ask that you attend a PBL meeting once a term. We meet at 8:15 on a Friday morning. With current restrictions, you could join the meeting via zoom, if you prefer. This would be negotiated with the interested candidate. The community member would also report back to the P&C.

If joining our team appeals to you, please call the office before Thursday 3rd September, to express your interest. A team member will be in touch with you soon.

Thank you for your interest. We are looking forward to having you on our team.

Thank you

### Canteen Orders

All parents wishing to place a canteen order for their child will need to do so at the window along the side of the office. This is to limit the number of parents in the office foyer. Please remember to obey social distancing in this area.

### Parents On Site

Following an update on COVID restrictions released by the DoE only students and parents with pre-arranged meetings are allowed to enter the foyer. All parent payments, early pick-ups/late arrivals and all other general enquiries are to be handled at the first window along the side of the office with Canteen payments remaining at the second window. Please do not enter the school if you are sick or have any flu-like symptoms.

### Sickness

If your child is unwell or has flu-like symptoms they should be tested through their local medical practitioner or one of the COVID-19 clinics. (See attached letter) Please advise the school should any immediate family members be tested and students are to remain home until the results are known.

## KIMP NEWS

This week has seen our wonderful KIMP musicians displaying some of the traits that learning an instrument really helps us to develop...adaptability, flexibility, problem solving ... and a positive outlook! Monday morning saw our enthusiastic Yr 3/4 band students moving to the library for band so we could safely stay out of the way of the cement trucks that were on site near the hall. Not only did we have a change of scene to contend with but it was also our first rehearsal with our changes to band because of the latest Covid directives, ie. no woodwinds in groups and not mixing students across stages. We had fun learning some body percussion patterns which allowed us to focus on our rhythmic skills and then we practiced a new version of "We Will Rock You" featuring our woodwind students on extra percussion instruments! As usual our young musicians inspired me with their resilience and positive approach amidst all these changes and hopefully enjoyed themselves at the same time.

**Beach and Creek Week** - Coming soon to a beach towel near you - KIMP BEACH TOWEL BUSKERS! While we have had to temporarily postpone our planned Beach Towel Concerts for the end of term we are now working towards busking in the school grounds during Beach and Creek Week. This gives all our KIMP students the opportunity to be working on a solo that they will perform for classes walking by.

There are new timetables for the remainder of term. Please email me if you didn't receive one yet - I emailed them home on the weekend.

As always, thank you for all the encouragement and support during a particularly tricky week last week!
