PRINCIPAL NEWS

We have made it to my favourite week of the year, Beach and Creek week. During this week we celebrate where we live and learn about how both the beach and creek play an important part of our lives here at Kingscliff Public School. We learn about the importance of not only looking after the beach and creek but also the importance of our flora and fauna as well. This year we have decided to celebrate by holding an Art Trail. Our Art Trail will be on the outside fence that surrounds our school. It will have art work from every student and a special QR code. The Art Trail will be put up this Friday and we encourage families to visit it in the coming weeks. Tango Gelato are huge sponsors of beach and creek week every year and as we can't go off site to get an ice-cream they will be providing a 'Buy one, get one free' voucher, which we will sent home next Tuesday. I would like to encourage you to use the voucher over the holidays, rather than the whole school go to redeem their voucher on the same day they get it. Thank you to Tango Gelato for being so amazing and I'm sure you will all go and support them during the coming break.

Next Tuesday (22nd September) we will be having our Board Short Mufti and KIMP Beach Towel Buskers Day. We will also celebrate the great behaviour students have displayed with Kingsley Day, on this day as well. While we can't have parents on site, we encourage all students to bring a towel to sit on to watch the buskers and a gold coin donation. The money raised will go to Surf Life Saving Australia

Mrs Foley is away and will be returning in Week 2 of next term. I am currently the Relieving Principal; Mrs Shannon Gray is Relieving Deputy Principal and Mrs Donna Nicholls is Relieving Assistant Principal for Early Stage 1 during this time. Ms Ruth Tutton will be teaching on KTG and Ms Mary Ann McCarthy will be on KN each Wednesday and Thursday

I would like to encourage all Parents that if they know of any Kindy students that are starting school next year and haven't got their enrolment forms in yet, to do so. We have had a lot of interest and are looking forward to welcoming new students in 2021.

Our hall extension is coming along and a crane is in for the next couple of days to get steel poles into place for our canteen COLA. It's been an exciting time and the students have really enjoyed watching the construction machines and equipment. Hopefully the hall extension will be completed by half way through next term. We are looking forward to getting an after school care facility on site too and would like to thank all the parents and carers for completing the survey in regards to after school care needs. This survey has been put out via School stream, Facebook and the QR fence codes.

If you haven't come along to our P & C Meeting yet, we are having our next meeting on Monday 21st September. If you get on to Facebook and like the Kingscliff Public School P & C page you will get updates on the day and time of these meetings. At the moment our P & C meetings are held via Zoom and have had great attendance. We hope to see many new faces on Zoom next week.

Thank you

BE RESPONSIBLE
OWN YOUR ACTIONS

I will put that rubbish in the bin.

I will be responsible.

I will follow the teacher's directions

I will be a good friend in the playground.

I will make decisions to help me be a good learner.

I will look out for others.

I will wear my hat.

An update from the PBL Team

This week in PBL we are reminding our students to **own their actions**, and to think about how they can take responsibility for the actions they take. We are always working towards making our school a welcoming environment, and **owning our actions** is a part of that.

Kingsley Day will be taking place on our **Beach and Creek Day**, which will be held on Tuesday Week 10.

This will be an amazing day with our **Beach Towel Buskers** and **Art Trail**. It is also our **boardshort mufti day**, and we ask students to bring a gold coin which will be donated to **Surf Life Saving Australia**.

Finally, we would like to welcome our **new parent representative**, Jodi Smith, to our PBL Team! We are excited to begin this new chapter in PBL and look forward to working closely with our parent body.

That's the week in PBL. Stay **safe**, **responsible**, **respectful** and **resilient**!

CANTEEN CORNER

A temporary canteen is operating in the former Learning Centre while the new canteen is under construction.

The canteen will be operating **TUESDAY to FRIDAY** with a revised menu. There are no burgers, pizza, lasagne or muffins. Menu's are available on School Stream and the school website. Due to the current situation, parents are not permitted to access the canteen. Parents can make payments at the office (2nd window), or online and provide your receipt number on your child's order. Children can deliver their pre-paid and cash orders to the canteen.

**The Canteen will be limited to Orders Only.
There will be no sales over the counter.**

REMINDER - CANTEEN CLOSED MONDAYS

STUDENT ATTENDANCE

Reminder, if students are absent from school, the parent/carer will receive an automated SMS requesting you contact the school via School Stream, Seesaw or phone to provide an explanation for the

KIMP NEWS

KIMP Beach Towel Buskers next Tuesday 22nd Sept on the oval!!!! We are all super excited to have our first ever KIMP Beach Towel Buskers happening next Tuesday as part of our Beach and Creek Week. As classes come out to walk the Art trail they will be greeted by our Percussion students who will start them off with a bang (!) as they perform an ensemble piece they have been working on with Mr Walsh over the last couple of weeks. Classes will then walk the Art Trail before arriving on the oval where they will be entertained by the buskers spread over the oval. We will take lots of photos and videos of the day!

A few reminders for the day - it is Mufti - Senior Band students to wear band shirts with boardies or shorts, other students just wear t-shirt and shorts. Must bring hat, extra water bottles, beach towel, extra snacks (we will be working hard), instrument and music!

I think that's everything...please email me if any questions.

We are so excited to be performing for everyone even if it looks different to our usual beach and creek week KIMP performance!!!!

A Quick Bite ...

5 Tips to Help With Screen Time at Home

Are you having trouble getting your child off technology or watching television?

Try some of these ideas to reduce the amount of screen time your child has each day:

- Go screen free for weekdays
- Try technology free Tuesdays
- Try imagination Wednesdays
- Restrict times on when your child has access such as "no screen time before dinner"
- Provide seven ½ hour vouchers on a Friday afternoon to last for the week. When your child watches the television, or plays on the computer they hand a voucher back. This limits the child to 3 1/2 hours of screen time over a week.
