PRINCIPAL NEWS

Safety Notice for Tweed Schools

Across the Tweed network of schools, there have been several enquiries this morning, in relation to a post on social media, claiming that schools are arranging a mass vaccination of our Aboriginal students at the local Minjungbal Centre. Please note this is not true. Students attending school will experience regular school days in class as usual with their teachers and peers.

Cyber Safety

October is Cyber Security Awareness month. To support school communities in driving online safety awareness, NSW Department of Education has developed the [Cybermarvel](#) program. Teachers will be able to access lessons and resources that will supplement learning that we had earlier this year with the "Online Guardians". Schools can invite [parents and carers](#) to attend webinars and learn self-help tips to keep their families safe online. Please use these hyperlinks to find out more.

Level 3 Restrictions continue in schools, with parents still limited to dropping off and pick up at the gates. We thank you for your cooperation in this and remind pedestrians, on Orient Street, to pick up from the gate next to the crossing.

Enjoy the rest of your week.

Kind Regards,

Diana Foley
Principal

Term 4 Week 6 - Tuesday 9th November

Come to school dressed as your favourite book character and bring the book along so we know which book you are from.

This special day is in place of our annual Book Parade due to COVID restrictions.

This week in PBL

This week we are looking at how we can care for People, Places and Property around our school.

Students are being encouraged to take responsibility for the games and equipment around the school and be respectful in how they pack up at the end of play.

This is also a great opportunity to celebrate the new games we have been using in the Hall.

Old favourites like Jenga, Chess and Snakes and Ladders are available in GIANT form and the kids are having an excellent time taking on the board game challenge!

Have a great week!

PBL team!

KIMP NEWS

KIMP 2022!

It's hard to believe but it's that exciting time of year when we start planning for the next year of KIMP. This means that our Year 2 students finally get the chance to try out to learn an instrument in Year 3. I know some of them have been waiting for a while! In the coming weeks we will do KIMP demonstrations for our Year 2 and Year 3 classes. Students will be given an Expression of Interest Form to take home when we do the demonstrations. If you are interested in your child learning an instrument next year you will need to return the form to the office. It is a wonderful opportunity for your child to learn an instrument and be part of our wonderful KIMP program. If you have any questions at all please feel free to email me (see email address below).

KIMP Busking

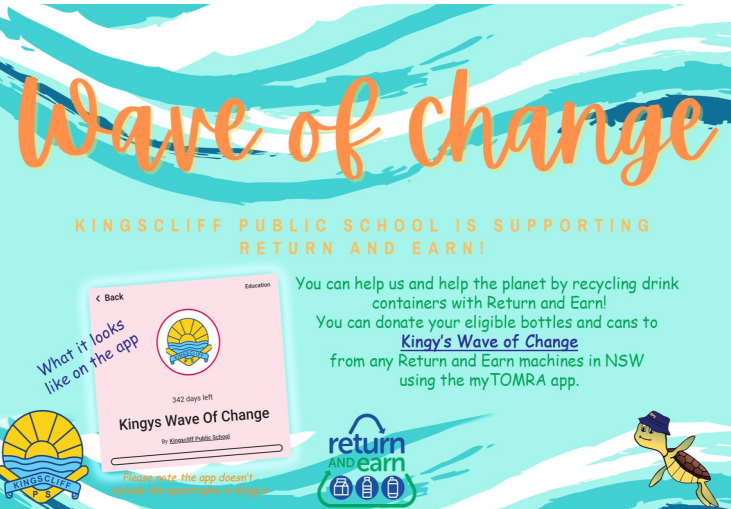

Everyone should be practicing at home getting together some pieces to play for our busking day. I have told the students it would be good to have 5 pieces they can play and we will continue working on getting pieces ready in our lessons. The date for busking is still to be confirmed ... we still have plenty of time to practice!

A huge **thank you** to everyone for continuing to encourage and support your child/ren with their music. The benefits of learning an instrument are huge and the research just keeps coming in that supports what musicians and music teachers have known for a long time ... music helps us in so many different areas of learning and development and it can give us a love of music that lasts for the rest of our lives.

Have a great week everyone,

Nicky Cooper
(and Mr Walsh and Mr Moodie!)
