PRINCIPAL NEWS

What a great start to Term 4. As the term is marching on, teachers have begun preparing the end of year reports for students. These will be available to families from December 10th.

The school is now beginning to plan end of year activities, based on the COVID19 restrictions that are in place. These are revised regularly and we are adjusting accordingly.

It is wonderful that we can now hold our Kindergarten Orientation, with sessions starting last week on Thursday and Friday and they will continue for 2 more weeks. A parent session will continue on Wednesday via Zoom.

Year 6 farewell is also being discussed in earnest. I am please to announce that we will be able to hold our event, but there are still restrictions to be applied. Thank you to the parent organising committee for working closely with Mrs. Gray and Mrs. Walker to ensure we comply with the Department of Education level 3 restrictions. We are to follow the same guidelines as for year 12 formals. Additional details will be provided to all involved prior to the big event, which is at the beautiful Osteria. A huge shout out to this venue and their staff for supporting their local school.

Our **end of year presentations** are still being organised. We are waiting to see if we can, in fact, have parents present. At the moment, we cannot! These assemblies will be in week 10, December 6th, for years 3-6 and December 7th, for years K-2, with more details in the weeks to come.

In **preparations for 2022**, a google form will be sent out via Seesaw this week. We ask **all our families to complete** this, to assist with planning our classes.

Whether you are returning, moving, coming back late in term 1, or have additional information to give us, please inform us through the google form.

Important Note: When students are placed in classes, teachers consider social, emotional and academic needs. Teachers know their students and families well. They know which students work well together and which do not. They work tirelessly to make the right combination of students in each room. Please use the google form, if you have new information or extenuating circumstances that would assist teachers to make an informed decision. There is no need to make specific requests to teachers. This year all such information is being collected through the google form. Each request will be looked at on its merits and considered along with our professional opinion. Please note that staffing decisions are made by the school.

Thank you,

Diana Foley
Principal

SCHOOL TRAVEL FOR 2022

2022 school travel applications are now open. Students who need a travel pass for 2022 can apply now. To apply go to transportnsw.info.

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid pass to use from the start of the school year.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. However, to best support our operators and assist in planning, we encourage all students to have a valid pass, as early as possible, from the start of the school year.

KIMP NEWS

KIMP 2022 Expressions of Interest

Last week we had a very exciting time doing the annual KIMP demonstrations to our Year 2 classes. Students in Year 2 along with any interested students in Years 3/4 took home yellow forms. These are due back at the office now if you would like your child to learn an instrument in 2022. There are forms available at the office if your child didn't bring one home and you would like one. In the next couple of weeks I will see all the students who have returned forms and then allocate instruments for next year accordingly. I am away this week but will be checking email so please email me if you have any questions at all about the program.

Existing KIMP students need to return a GREEN re-enrolment form so we can plan for next year. I handed these out last week but there are forms available at the office if you didn't yet receive one. If you know your child isn't continuing with KIMP next year could you please send me an email to let me know - just makes it easier for me.

KIMP Busking Tuesday Week 7 16th November!

We are very excited to be planning for our second annual KIMP Busking Festival and all KIMP students should be busy practicing at home in preparation for this fun event.

Any questions please email me anytime,

Have a great week everyone,
