## PRINCIPAL NEWS

Last week, we celebrated reaching our Kingsley target of 20,000 Kingsley tokens. It has taken a term and a half to do so, but what a feat! Each class had some additional play time, as well as Pizza snack at recess time, and from what I saw, everyone was having a great time. The week culminated in the major prize draw for this term, with 24 students drawn from the barrel and given the opportunity to select an item from our prize bank. These ranged from a surfboard, scooters, helmets, tennis racquets, frisbees, handballs and others.

I'd like to thank the community, as it is you that enable the purchasing of these items. You see, we receive Rebel Sports vouchers each term, generated by your purchases. It is a wonderful scheme. All you have to do is to mention our school, as you make a purchase and redeeming credit goes to the school. Thank you, to Rebel Sports and the Kingy community.

Next week, we will be conducting our end of year "Celebration of Achievement" for each stage. Unfortunately, audience members are still not allowed under the Level 3, Department of Education restrictions. A slide show of winners will be distributed via Seesaw and put onto our website. In addition, we will be creating a photo album for distribution. These will be out as soon as possible, after each presentation has been edited.

As we approach the end of the year, many classes have had teachers on leave for a variety of reasons. We do our best to have consistent teachers replacing our staff, however, there has been a real shortage of available teachers of late. At times classes have been split across the stages, to accommodate supervision of students. Please know that this is a last resort action and we do everything possible to find a teacher, before making this decision. I thank you for your understanding in this matter.

School leaders will be announced at the stage 3 celebration, but badges will be presented at the 2022 Leadership Assembly next term, where we anticipate having a live audience!

Thank you,

**Diana Foley**  
Principal

## KIMP NEWS

We have celebrated the end of another 'not quite what we expected' year with KIMP parties this week which was lots of fun. Our KIMP students all deserve extra recognition this year for continuing with their instruments throughout a very interrupted year and without the lift and motivation that band gives us all. Mr Walsh, Mr Moodie and I have all been so proud of our students and have loved teaching all of them throughout 2021. We couldn't have done any of it without the amazing support that we get from our KIMP families. It was a hard year to keep kids practicing and we really appreciated the efforts that parents made at home to encourage their children, drop off instruments that were left at home in time for lessons and all the little things that go towards keeping them learning. As I always say, it's worth it!! You never hear an adult saying, 'I wish I'd been allowed to quit my instrument when I was at school!' Thank you from all of us, we so appreciate you giving your children the opportunity to learn an instrument and hopefully establish a lifelong love of music.

### Farewell Mr Moodie and Welcome Mr Ikefuji!

We are very sad to be losing our wonderful brass teacher Mr Moodie next year. In exciting news for him he has accepted a fulltime job teaching music on the Gold Coast for 2022. We will really miss him and the impact he has made on the brass students in a short period of time but I am sure he will be back to say hi and play music with us again. We wish him all the best with his new position and will look forward to hearing how he is going.

Excitingly, we have found a new brass teacher for next year - Aiden Ikefuji. Aiden has been involved with KIMP over the last few years helping with our Sunday workshops so some of our older students will remember him. He can't wait to be part of KIMP next year and we can't wait to have him here!

### Final reminders -

\*All school instruments to be returned this week for servicing and repairs.

\*KIMP 2022 - new students to pay \$50 deposit and return acceptance of offer forms by this Friday 3rd Dec.

Thank you!
