School Vandalism

When Mrs Mirana called me, to notify me that our school had been vandalised, I was in disbelief. The wilful damage that occurred in the hall and to the canteen is senseless!

It will take some time to repair all areas and to replace fire extinguishers and some other items destroyed. The police have revisited the school and additional cleaning crews and tradesmen attended the school on Monday to start repairs.

Our school building team from Richard Crookes have CCTV footage of their site, which was also damaged, and the police will be checking this carefully.

Should anyone hear of anything about this vandalism, please contact the police to give them the information. Conversely, if you would rather speak to myself or Mrs Mirana, we would be happy to take your call.

Celebrations of Achievement 2022

Due to the predicted poor weather, we will be holding our celebrations in the school hall, with all doors open, in our stage cohorts and at four assemblies. Kingscliff PS will continue to follow the Level 3 restrictions which state:

"Assemblies and presentations will be allowed outdoors on site. Cohorts should be separated with physical distancing in place where practicable.

Care must be taken to avoid mixing and mingling of cohorts when entering and exiting the assembly or presentation.

Fully vaccinated visitors (including parents and carers) are only allowed to attend if completing a specific role (such as presenting) and at the invitation of the school. All visitors must check in using the school check-in and show proof of vaccination." (updated, November 25th)

As such, we will not be having parents in attendance at our presentations on Wednesday. Please note the day change due to vandalism and teachers' strike. Plans are underway to include Year 6 parents, in a COVID safe way, for the last day of school, when Year 6 exit the school for the last time. Mrs. Gray will be communicating to stage 3 families about this event.

Photos and a stage powerpoint will be available for our community. They will be available through seesaw.

Thank you for your understanding in this matter. We are all looking forward to returning to normality, in the near future.

Thank you,

Diana Foley
Principal

Accepting Preschool Enrolments

Prepare for a successful transition to school | enrol: www.flyingstart.nsw.edu.au

Why Flying Start?
• An extensive school readiness/transition to school program
• Experienced Bachelor trained Teachers
• Purpose built Preschool with specialist facilities
• Convenient location in the grounds of St Anthony's Primary School, Kingscliff
• Fully licensed and operated
• School hours and long day options available
• Breakfast Care available
• Embedded in our local Community
• Open for all families, regardless of which school they transition into Kindergarten

Our unique style Preschool program is specifically designed for children the year before transitioning to formal schooling (Kindergarten). Our Preschool program is guided by the children's interests and therefore shapes our play-based curriculum - PLAY IS LEARNING!
The children will explore and extend their development through creative, music, movement, health and well-being, mindfulness, language, literacy, science, self-care and our community. With care and wonder the Preschool children will discover and unleash their hidden talents, dreams and embrace their own individuality.
Our dedicated and passionate Bachelor trained Preschool teachers will support your child as they develop social skills such as turn taking, sharing, identifying their own and others feelings, self-regulation and playing with other children to develop social competence which is the core of school readiness and effective transitioning to school.

Come and see our difference!

KIMP NEWS

Hi everyone,

This will be my last KIMP update for the year.
What a year it's been (we love an understatement)!

Looking back we were so lucky to have our Easter Hat performance by Senior Band, a Sunday workshop for Senior Band and Big Band with our wonderful mentors, and although it's easy to forget what happened in the first half of the year - we had HOT POTATO BAND which was definitely the KIMP highlight for 2021. (Although our drummers might contend that their performances last week were the real highlight!)

Having said all that, I think the real gold of the year was all our KIMP students who still turned up week in week out for their lessons - whether it was via Zoom or in person - with their enthusiasm, curiosity and determination. At the end of the day music is all about the joy it gives us and the joy it gives others who listen to us and support us. To all our amazing KIMP families, thank you so much for your perseverance, flexibility and support throughout 2021. Thank you for giving your children the gift of music, possibly more important than ever in the middle of a pandemic.

Enjoy a wonderful break, may you all get to unwind, take some time out and hopefully catch up with family and friends.

Thanks for the year!

Nicky Cooper
