PRINCIPAL NEWS

It's week 3 already, what a great start to the term. It has been fantastic having parents and carers on site too. From week 5 parents and carers will have to drop off and pick up from gates again. This is in line with Department of Education policy.

'Parents and carers for Preschool, Kindergarten and Years 1, 2 and 7 students will be allowed on the school site to drop off their children at their classes on the first few days of schools provided they follow physical distancing and hygiene measures implemented by the school and the department. Parents and carers may also enter the school to pick up students for the first few days based on each school arrangements for these year groups.'

Please remember to check in using the QR codes, which are found on the fence, every time you come in to drop your children off or pick them up.

We have had a few questions from parents/carers about students with mild flu like symptoms. The Department states:

'Students with flu-like symptoms will need to be tested and provide a copy of a negative COVID-19 test result and be symptom-free before being permitted to return to school.'

Students who do not undertake a COVID-19 test will not be permitted to return to school for a 10-day period. Additionally, they must be symptom-free for at least 3 days prior to returning to school.'

If you do come in to pick up students, we also ask you to pick them up and then exit straight away. Please do not hang and talk to others, or let your children play on the playground equipment. We have to remain vigilant and as we are still provided with a COVID cleaner during the day, our playground equipment is also wiped throughout the day too.

Over the next 2 weeks, teachers will be holding parent/teacher meetings. Please make sure you register for a time as the teachers would like to meet all of you.

To make a booking please go to:

<https://www.schoolinterviews.com.au/kiosk?ecode=448g3>

Event code: 448g3

Interviews are strictly 10mins but it is a great chance to meet your child's teacher and discuss their strengths and interests. Please make sure you electronically sign in before heading to classrooms.

Swimming Carnival

This Friday (12th Feb) is our swimming carnival. It is held at Banora Point Pools.

If your child is turning 8 this year, they can participate. Parents and carers are also welcome to attend but we have to ask you to remain in the designated area at the pool, as adults and students are not able to mix. We are under strict COVID guidelines by the pool to be able to run our carnival and we also need to make sure that parents socially distance while at the pool too.

Please sign in electronically when entering the pool and keep an ear out to see when we need some helpers with the timing.

Bus changes

Next Monday 15th Feb some buses will be picking up students from the Sutherland Street side.

This will not cause any disruptions, it is just to ease the traffic flow. Flyers will be sent home in the coming days.

Affected services:

- **N1207** - Kingscliff Primary new pick up point Sutherland Street - time unchanged
- **N1223** - new route realignment to incorporate Naponyah & Ribbonwoods Roads
- **N1237** - new pick up point on Sutherland Street, departure time unchanged.

P & C meeting

Don't forget the next P & C meeting will be held on Monday 15th Feb at 4pm, keep an eye out on school stream, FB and the P & C FB page for details.

Thank you,

Belinda Mirana

KIMP NEWS

Welcome back everyone!

KIMP started again this week and it has been wonderful to see all the happy smiling faces of our returning students and the very excited new beginners. After the year that was 2020 it was awesome to start the week with Intermediate Band yesterday morning in a beautiful big hall ... with not a builder in sight!

Senior Band had a great first rehearsal this morning ... just so good to be playing music together again.

A huge welcome to our new KIMP Brass teacher Mr Tom Moodie who comes to Kingy with a wealth of experience and passion for music. Mr Moodie will be teaching brass on Wednesdays and directing Big Band this year.

We do have some instruments still available for hire - if you would like your child to learn an instrument with KIMP this year, please just see the office for a KIMP form or email me.

Looking forward to a great 2021!
