

WELCOME BACK TO SCHOOL

Welcome Back Everyone

It has been wonderful to welcome you all back to Kingscliff PS. Seeing all of your smiling faces again, as we have our K-2 parents onsite to support our younger students return to school, has been terrific. I also welcome 19 new families to our school. I know that this is an exciting day for everyone. Thank you all, for understanding and supporting us to implement the Department of Education COVID guidelines.

Class Placements

At the end of 2020, a draft list of classes was written, based on returning students and new students. Unfortunately and unexpectedly several families either moved house or elected to enrol students in private schools, during the holiday. Some of this was new information to the school this week. Therefore, student class lists have had to be redone. There will also be some staffing changes as a result.

Today students have been placed in classes, based on 20 classes, rather than the expected 21. Census day for enrolments is this Thursday. We currently need 7 more enrolments to group 21 classes. If this does happen, we go to plan B and regroup next week but this is not expected.

I apologise for the uncertainty, but this is based on enrolment numbers. The classes as of today are: (Note: AP - Assistant Principal)
