### Easing of Restrictions

We were notified last week that as of Monday, parents and carers can drop off and pick up students. Those entering the school grounds and going to class rooms, do not have to sign in with QR codes. Only those parents who are attending specific appointments or events (such as an assembly or meeting, need to sign in. All adults on site must continue to monitor **social distancing and hand hygiene.**

Kindergarten parents can now enter the grounds to collect the children in the afternoon, so the lane way gate will end being used at the end of this week.

Restrictions have also eased for indoor and outdoor events, but is still a need for COVID Plans for all such events. We will keep you up to date as events start to roll out. Excited to see you all back!!!

### Canteen

Monica has done a fantastic job keeping the canteen ticking over throughout the COVID period. As of this week, the canteen will operate with over-the-counter services at our break times. We ask that lunch orders continue as they have been, it has been very efficient and manageable, especially when Monica is alone in the canteen. The major change is that students can purchase smaller items at break time: eg Milk cups or muffins.

### Pick Up Zone

Thank you all for your cooperation. The afternoon pick-up on Orient Street is definitely moving more smoothly. Please remember to move through the pick-up zone as promptly as possible. If you need a **family sign** for your windscreen please contact the office to have one printed, or make your own. Please use LARGE BOLD print for your surname, with children's first names written below.

Remember all cars will be transitioned to Orient Street in term 2, so why not start now. All buses will also be on Sutherland Street, in term 2.

### Leadership Excursion

On Thursday, our School Captains and Vice Captains got to meet with the Hon. Marise Payne, Minister for Foreign Affairs, Minister for Women and acting Minister for Defence.

Our leadership team travelled to the Kingscliff Bowling Club, along with Mrs Foley, to hear Hon. Marise Payne speak. They even got to ask her a question about her goals and hopes for the future.

### P&C NEWS

#### Easter Egg Fundraiser Raffle

The P&C will be holding an Easter Egg raffle on the day of the 'Easter Hat Parade', Wednesday, 31st March.

The P&C are kindly asking for donations of Chocolate eggs, Easter baskets, small soft toys and any other fillers to make Easter raffle prizes.

**All donations are greatly appreciated. If you have any donations to add to our raffle, please bring them to the office by Friday, 26 March 2021.**

Thank you,  
Kingscliff P&C Committee

## SPORT NEWS

### North Coast PSSA Regional Swimming

Last Wednesday, March 3, Kingscliff PS sent 15 students who qualified for the North Coast PSSA regional swimming championships to Coffs Harbour. They represented our school in such a positive way and were super competitive in the pool all day. The level of competition was super high and the talent showcased on the North Coast was very impressive. The whole Kingy team did us all so proud. Congratulations to Charlie G. for winning the senior boys 50m butterfly and the 200m individual medley. A huge congratulations also goes to Piper H. for coming second in the 8 year girls 50m freestyle. Charlie and Piper are now off to the NSW state swimming championships later this year. Well done!

(see photo's page 4)

### Regional PSSA Cricket

James R. & Finn M. attended the Regional PSSA Cricket trials in Grafton on Sunday 7th and Monday 8th March. All competitors showed very high skill levels. Following two days of trials, James was selected as captain of North Coast and will compete at the NSW PSSA Boys Cricket Championships at Dubbo in October. Congratulations James and well done to both boys.

## KIMP NEWS

It has been wonderful to see the progress by lots of our KIMP students over the last couple of weeks. We have a great group of beginners this year with some of them already heading to Intermediate Band on Monday mornings and more of them not far away from joining!

Our KIMP percussionists had big shoes to fill this year and are doing a great job already with the wonderful assistance of Mr Walsh.

It's really easy for us to see those students who are in a good routine of practicing at home. As I say to them they don't necessarily have to do hours of practice, it's the consistency that makes the difference. A beginner who does 10 minutes every day will make great progress in very little time. One of our Senior Band students has this year committed to three half hour practices a week (amidst a very busy schedule) and the difference is amazing. Work out what works in your house and weekly schedule and just work to stick to it. Yes it takes effort by parents but you will see the benefits in progress and most importantly enjoyment! The students who stop learning are most often the ones who aren't doing any practicing at home.

Please email me if you're stuck or need some tips or more encouragement by us at school. As always thank you so much for all the support at home, rehearsals, remembering instruments, and helping practice happen! We couldn't do it without you!
