## PRINCIPAL NEWS

What another busy week.

Well done to everyone for participating in the District cross country at Bilambil yesterday. All students displayed amazing PBL expectations, with the teachers making comments on how proud they were of the students' behaviour. Well done to everyone that made it through to the next level which is at North Byron Parklands on Friday 21<sup>st</sup> May.

This week our Year 4 and 6 students completed the Check-in assessment. The Check-in assessment is an online reading and numeracy assessment. Next week we have the NAPLAN tests for Years 3 and 5 which also assess the literacy and numeracy skills of the students. Please remember these are a one off assessment, it just gives us a snap shot.

Tomorrow we have the 'Hot Potato Band' coming in to work with the KIMP students and all students Yrs 3 - 6. Please make sure you have paid your \$6 to be able to participate in this exciting day. The Hot Potato Band are one of Australia's most renowned street and stage performing brass bands, we have been so lucky to secure them for a school visit.

This term we also have Harold coming to visit us again. Harold works with our Life Education teacher Nicole and delivers Health and Personal Development lessons. A note will be going home soon about this. Life Education is for all students K - 6.

Since the start of the term we have had changes to our pick up in the afternoon. All car pick ups are from Orient Street and bus pick ups are from Sutherland Street. If you pick up in the afternoon by car, all students will now be waiting within the school grounds and will be called to cars by looking at family names.

If you don't have a name displayed can you get your child to make one on A4 paper or give our office a ring to make one for you. If everyone has their names displayed then the cars move much quicker. Please make sure you move right to the end of the car pick up zone and don't wait near the school gate. The car pick up zone goes from near the teacher car park down to the pedestrian crossing. If you do park in Omar Street and walk to pick up your child, please do not park on our neighbours grass, across driveways or even on driveways. We like our neighbours and want to look after them. Over the past 2 weeks I have had numerous calls about cars blocking drives and parking on their grass. Thank you in advance for helping them out.

Have a great week everyone.

Kind Regards

## KIMP NEWS

Hot Potato Band set to rock Kingy this week! We are so excited to be welcoming Hot Potato Band to Kingy on Wednesday. All of our KIMP students will have a workshop with the band (only Senior Band students will need their instruments for the workshop) followed by a concert for all Stage 2 and Stage 3 students. If you haven't yet paid your \$6 please make sure you do ... we don't want anyone to miss out on what promises to be a great morning with the band.

We were very excited on Monday morning at Intermediate Band to have a surprise visit from our brass teacher Mr Moodie. Mr Moodie is currently away completing his final prac teaching placement on the Gold Coast but choose to get up early on his QLD Public Holiday to come down for Intermediate Band ... now that's dedication !! We are looking forward to him being back later in the term.

Practice routines at home — Consistency is the key !!! I know lots of our KIMP students are busy with after school activities so it's even more important to have a practice routine set up so they know when they are going to practice and then you can support them to stick to the planned routine. IT MAKES ALL THE DIFFERENCE !!! A student who practices consistently each week even if the practice sessions are shorter will make good progress and continue to enjoy playing. It is awesome at the moment to see some of the KIMP students who are really inspired and enjoying playing and making great progress. If you are finding it difficult at home and would like some extra tips please just email me—it's definitely a team effort!

Have a great week.
