PRINCIPAL NEWS

Mrs Foley is continuing her leave and will be back in Week 9 of this term. I will continue as Relieving Principal and David Bush will continue as Relieving Deputy Principal.

Well done to the Cricket team for playing so well against Terranora yesterday. Best of luck now playing against Lennox Head in a couple of weeks. Thank you Mrs Kershler for coaching our school team too.

Thank you to all the parents and carers that have worked with us to get the afternoon pick up right. There will still be a few hiccups with Kindy now coming to the front gate too but well done to everyone that has worked together to try and get afternoon pickup running smoother. Again I would request that you assist us in looking after our neighbours by not parking across driveways or up on their grass. We like our neighbours and don't like seeing them upset when parents park them in or damage their front lawns. Thank you in advance for helping us out.

Bus pick up - Sutherland Street

Car pick up - Orient Street (Students wait near the bike racks under the shelter)

Walking - Orient Street front gate.

Please make sure your child knows how they are getting home.

Please also remember that parents and carers are welcome to come into school grounds at drop off and pick up time without signing in. All adults should however maintain 1.5m distance from other people where possible and not be on site if they are feeling unwell.

In accordance with advice from NSW Health, parents and carers are reminded **NOT** to send children to school if they are unwell, even if they have the mildest flu-like symptoms.

NSW Health has requested that schools encourage anyone who is unwell or has even mild flu-like symptoms, to arrange to be tested through their local medical practitioner or one of the COVID-19 clinics.

https://www.instagram.com/kingscliff_ps/

Students and staff with flu-like symptoms need to be tested and provide a copy of a negative COVID-19 test result and be symptom-free before being permitted to return to school. Thank you to everyone that does this.

This week we have the NAPLAN tests for Year 3 and Year 5. Writing Conventions and Writing were on today, Tomorrow is Reading and then Thursday is Numeracy. Best of luck to everyone participating in these, just try your hardest and remember that this is a one off test. *I want you to know that this test cannot show anyone WHO you are. It will never be able to show the most important things that make you so special. It will not show your ability to make a friend laugh when they are having a hard day. It will not show how you can collaborate with your peers, and make everyone in a group feel valued. It will not show your deep empathy for your friends, your peers and complete strangers. It will not show how you have learned to participate in a discussion, listening to others and building off of their ideas. It will not show your determination to stand up for what is right, even if you are the only one standing. It will not show your creativity and how you use it to share yourself with others. It will not show what a curious thinker, creative problem-solver, and fierce friend you have become. Your friends and teachers know this though, so try your best and remember it is just a snapshot of your learning. Have a great week everyone*

Kind Regards

Mrs Mirana

Loose Parts Play

We are starting a new 'Loose Parts Play' program at school.

Loose Parts Play provides children with 'found' items which they can use for open ended and versatile exploration and play.

Loose Parts Play encourages creative and divergent thinking, problem solving, collaboration and invention.

Donations are a fundamental part of supporting **Loose Parts Play** programs- so if you have any of the following items we would gladly take them. A box has been set up in the school office.

Thanks,
Asha Lambert Patel

PVC pipes

Pots and pans

Milk crates

Kids gardening tools

Buckets or containers

Ropes and cord

SPORT NEWS

HOCKEY

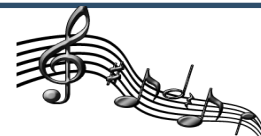

On Friday 7th May, 27 Stage 3 students played in the 'Fitzpatrick Shield Hockey Gala Day' in Murwillumbah. Our students were great representatives for our school behaving in a safe, responsible, respectful and resilient manner at all times. Congratulations to Maya N, Vito C, Billy E and Koby S who were selected by their 'Mentor Coach' as 'Best and Fairest' players for their teams. A big thank you to the parents that helped transport the students and to Ms Stephens for helping out on the day. Hockey was definitely the winner on the day!

KIMP NEWS

WOW WOW WOW! What an awesome time we had with Hot Potato Band last week. We were so lucky to have the opportunity to have them visit Kingy and do a workshop with all our KIMP students followed by a concert for all of Stage 2 and 3. Our KIMP students were so inspired and loved working with them and this week I have started some new KIMP students who were inspired to take up an instrument following the Hot Potato visit. The band spoke very highly of our KIMP students and said they loved working with them. We have already asked them to book us in for next year!!! There were even some of our KIMP students and families who went along to the Hot Potato Band gig at Burleigh on Saturday night and it was great to see them there grooving along to the band (make sure you ask your children about the Sousaphone if they haven't already told you about it!)

All KIMP families should be receiving emails from me with updates and reminders. If you aren't receiving any of my emails please email me and let me know so I can add you to the list.

KIMP invoices have been sent home by the office and are due for payment by Friday 21 May. Thank you very much for your prompt payment as this allows the program to run smoothly

Have a great week.
