PRINCIPAL NEWS

Thank you all again for following our COVID safe plan:

- Reducing visits to the office by phoning in or emailing questions or queries.
- Using the QR code if you need to enter.
- Wear a face mask when on site.
- Keeping socially distanced from other families during pick up and drop off.
- Reducing pedestrian congestion at 3pm pick up, moving on quickly with your children.

We appreciate your ongoing vigilance.

School Highlights

We are so fortunate that our school is still engaged in extra curricula activities. Here are some recent highlights,

- The school athletics carnival last Friday was a huge success. The weather held out and all events were completed. Thanks to our P & C for getting all the lunch orders out and to Kingy High School students for their help on the day. The staff under the guidance of Mr Prichard did an amazing job. Well done team. Parents got to view from "the hill" on Murphys Road and enjoy a coffee in the winter sun. There were many outstanding student efforts and many happy finalists. At the moment, the next carnival is going ahead, so fingers crossed!
- Senior students have been participating in the Premier's Debating Challenge and the team has made it through to the next round, winning their first 2 debates convincingly. Next week they take on Bogangar. Good luck team and thanks to Mrs. Walker for her guidance.

- Two stage 3 teams entered the state-wide "Game Changer Challenge", and one of the teams has been successful in moving forward to compete in finals of this problem-solving challenge. Well done to the team and Miss LP for her direction and support.
- Our PSSA Boys Hockey team has progressed to the next round and will compete against Grafton PS soon.

Pick up procedures

The school pick up zone is improving, but there are still some hiccups. Here is an overview of how the zone is meant to operate. I thank you in advance for supporting the school to make this process as smooth and efficient as possible.

School expectations:

- Car pick up only on Orient Street (none on Sutherland)
- Please stay in your car, this is a no stopping zone.
- Move up the queue to close the gaps, as soon as possible.
- Place your name card on the dash or visor. You can make your own card, or ask the office to assist you.
- Roaming teacher (usually Mrs Mirana) will call your child out (we are now using phone speakers).
- Ideally, children enter cars at the top end of the zone.
- Children should enter the car from the CURB side, belts on and leave promptly.
- Please keep moving up, to avoid queuing down the street.

Education Week is next week, with the theme of "Life-long Learners". Unfortunately, we have decided to postpone activities due to current restrictions, with a new date to be confirmed. Hopefully we can offer some parent engagement activities later this term.

Kind Regards,

Diana Foley
Principal

KIMP NEWS

Hi everyone,

We are enjoying a 'normal' week with KIMP this week ... rehearsals as normal and lessons as on timetables ... Hooray!

Hopefully everyone is getting back into their school routines at home, I know it can take a bit to get going again after the break. Please make sure your KIMP student has a practice routine whatever that might look like in your house. Help them to work out which days they have time to practice, write it down somewhere where they can see it and then support them to actually do it.

I know that's the hard part when you have a lot of other things going on at home and work! Just remember it is a rare child who will voluntarily take themselves off to practice on their own so parental support is a key part of helping them practice and make progress ... and really enjoy learning their instrument. As Phillip Glass an American composer said, "You practice and you get better. It's very simple".

Thank you so much for all the support you give your children ... it's worth it!!!

Book Parade

We will be celebrating Book Week by holding a Book Character Parade on Thursday 26th August (Week 7 of this term). The 2021 Book Week theme is "Old Worlds, New Worlds, Other Worlds". Students may like to dress according to this theme, or if they prefer, they can simply dress up as any character from any book. It's up to you! This is meant to be a fun and creative day to celebrate and promote a love of books. At this stage we will not know if parents can attend until closer to the time.
