PRINCIPAL NEWS

Term 4 is moving along with many excursions, events, assessments and classroom learning to keep us busy.

This week the school prepares for the '**Colour Run**' and the sliming has begun! On Monday, it was my lucky day! Captains, Indi and Jesse, held the honour of tipping the bright green slime all over me! I must say I was a bit nervous that I would be attending the State Principals Conference this week looking like Shrek! Thankfully after a quick shower, all was good. The next group to be slimed will face the music on Friday! Everyone is looking forward to an awesome Colour Run.

Hats must be worn for outdoor play as well as our PE and sport lessons, with classes walking to the foreshore and beach areas each week please ensure each of your children have their own school hat.

Sunscreen is available at school and is offered to students for excursions and outdoor activities. Students can keep personal sunscreen in their school bag for regular use if this is desired.

The sunscreen available in classes for student use.

Stage 1— Fingal Heads

On Wednesday last week Stage 1 finally got to go on their Fingal Heads Excursion as part of Beach & Creek week.

They journeyed through the Dreamtime Pathway and the Bush Tucker Walk at Fingal School. Everyone learnt about traditional ways and Uncle Franc shared many Dreamtime stories. He shared how our local native plants were used for food and medicine and how to make resources such as tools, baskets and fishing nets.

Yuli Camp

Last week the Indigenous students attended a Yuli camp at Dorroughby Environmental Education Centre. This involved observing the Rocky Creek Dam catchment, Rainforest walking, a walk along the Platypus tracks and dams and got to visit Dudgeon's Dairy Farm to watch milking of the cows. Great experience for all students involved.

KIMP News

It is that exciting time of year, when we are planning for next year's KIMP program. This involves our current Year 2 students experiencing a KIMP demonstration, where they see and hear the various instruments on offer in the program. Now is the time for:

- ♦ Year 2 students to submit an expression of interest, to learn with KIMP next year.
- ♦ any Kingy students in Years 3-6, who have not yet learnt with KIMP, to submit an expression of interest form.
- ♦ current KIMP students also re-enrol for next year.

2022 is also the end of an era, as I leave the program after 15 years. Whilst this may be sad, it is also the start of a wonderful new chapter for Kingy and KIMP. We are very happy to be able to tell you that we have a new KIMP teacher and Band Director to start at Kingy next year.

Mr. Christian Brasch is an incredibly well qualified and experienced instrumental music teacher, musician, performer and band director from Sydney, who is relocating to Kingy, just for KIMP! He brings with him a wealth of experience running band programs, teaching and conducting at various schools in Sydney. He is really excited about taking over KIMP next year and already has some ideas for the program including starting a new Beginner Band which will be amazing for all our new KIMP students, as they will be able to start in band as soon as they start lessons.

We feel very lucky to have found Mr. Brasch and believe that he is someone who has the teaching experience and the love of music to continue offering our wonderful KIMP program to many more Kingy students.

A very large part of KIMP's success and longevity has always been the incredible support of Kingy families. We are looking forward to this continuing, as we move into a great new opportunity for our much loved KIMP program.

Thank you for your ongoing support
