- ◆ **Consider when you come to school.** Everyone does not have to arrive right at 3pm. Wait a few minutes, your children will still be waiting.
- ◆ Pedestrian's pick up, please use the gate near the pedestrian crossing

PRINCIPAL NEWS

Road Safety and Awareness

The school is working very hard to create a smooth pick up process at the Orient Street "pick up area". We have been working with the local police as well and ask parents to assist us with the process.

Please remember that this is a **NO STOPPING ZONE!** We ask that any person collecting students by car do the following:

- ◆ Place a **name card** on the dashboard: **Large BOLD** surname, with first name below. Largest font that will fit on the page please, or use BLACK text, in BLOCK letters. This process saves time in identifying students. Thank you to those families who already display their names.
- ◆ Pull in from the end of the zone, do not cut in front of vehicles. Move through the zone, towards the top, past the school gate.
- ◆ **Loading** the vehicle is in the top half of the zone, past the front gate. Once a line of cars load and leave, the rest move up and load waiting students.
- ◆ Students get into cars **from curb side**. It is not safe to load amidst passing traffic.
- ◆ **Teach** your children to do up their **seat belts**. This also saves time and cars can leave quickly.
- ◆ **Parents are NOT to call students across the road, between waiting cars.** We had a near miss last week!
- ◆ **There is no parking in this zone.** If a child does not come in 3 minutes, please leave the zone and re-enter.

School Spectacular

Next week our dancers will join thousands of other performers from public schools across the state, at the School Spectacular, in Sydney. I know that they have been rehearsing long and hard, and I am proud of their dedication. To use a sporting analogy, this is their chance to represent at the highest level. This is their grand final! Go Kingy! Have a blast!

Reminder: Please remember to complete the google form, if you have any new information to give teachers, as we start planning for 2023.

Good Luck

We would like to wish Tilly good luck as she heads off on Thursday to represent NSW at the National Track and Field Championships in Brisbane. Awesome effort Tilly we are all proud of you.

Congratulations

Congratulations to Dylan, Sunny, Jasper, Mila and Jayden who travelled to Sydney last week for the Game Changer competition. After 3 rounds of competition against 300+ teams and 2 days of working with industry experts from companies like Google, Adobe, Canva, ABC Education and many more the team managed to take out the Design Award for Impact and Awareness. Well done team.

KIMP News

Hi everyone, lots of exciting things happening in the KIMP world as we head towards the end of the year. Firstly, it's always amazing for me to hear about our ex-KIMP students and where their music has taken them. I was thrilled to find out on the weekend that ex KIMP student Beau Thompson has been accepted into the QLD Conservatorium next year to study jazz saxophone! This is an incredible achievement and very competitive to get into. Congratulations Beau! Hendrix Haimalaein was another KIMP student in the same year as Beau. He moved to Melbourne in High School as he was accepted into the Victorian College of the Arts for Trumpet. Hendrix has also just finished Year 12 and is waiting to hear whether he has been accepted into Melbourne Uni for either Jazz or Classical Trumpet. Another amazing achievement!

Today we were lucky enough to have a performance by one of the Concert Band's from Palm Beach Currumbin SHS - "Synergy". This band also featured some of our ex KIMP alumni - Olivia, Vito, Charlie and Elliot-Rose. It was amazing to have this band performing for the entire KPS community and I'm sure it inspired our musicians and soon to be musicians as well as the whole school. A massive thank you to Synergy for coming down to perform for us!

Intermediate Band are off to Currumbin State School this Wednesday for a band workshop and excited is an understatement!!!! We haven't done this before with Intermediate Band and can't wait to work with another band and conductor.

KIMP 2023 - It's so great to see all the interest in learning and instrument next year. I have been busy seeing students and trying them out on instruments. Notes about next year will go home this week and there is a note to return to accept your place in the program for 2023.

As always, any questions please email me on address below.
