PRINCIPAL NEWS

What a term this has been! We have all learned to truly be resilient these past months. I am so proud of how KPS students have bounced back and settled quickly into school and class routines, despite the interruptions to learning this year.

For our communities, it is a time of rebuilding. A time to be kind and supportive and a time to set goals and move forward. I look forward to the months ahead, to see students learning, community returning to the school and our connections reforming and strengthening.

As the term draws to a close, we will be saying **farewell to Mrs. Lisa Davidson**. Mrs. D, as she is affectionately known, will be taking leave, pending her official retirement date later in 2023. Mrs. D has been a part of the school for more than 20 years. I thank her for the years of service to our school, for sharing her wisdom and knowledge with colleagues and her dedication and professionalism to teaching. I know she will be missed, especially by her students, for whom she has nurtured the love of learning. I am sure you will all join with me as I wish Mrs. Davidson much happiness, as she moves into this next stage of her life. Goodbye and good luck Lisa. Best wishes from us all.

Over the past few weeks, I have been recruiting a replacement for Mrs. D. With that process complete, I **welcome Ms Sophie Bulgin** to our school team. Ms Bulgin has many years of experience, with a permanent position at Willoughby Public School, in Sydney. She has recently relocated to the North coast and has been working at Tumbulgum PS, where she has supported the community through the devastating floods recently. With more than 10 years of teaching experience, not only is Ms Bulgin an innovative and creative classroom teacher, but while at Willoughby, has worked through a major infrastructure project and transitioned into new facilities. I look forward to working with Ms. Bulgin and introducing her to our community and the families in 3 Leaping Fish.

Don't forget, this Thursday, K-2 have our first **Easter hat parade** in some time. Our playgroup children and local pre-schoolers have been invited to join us, as have parents and carers. It will be lovely to have a bit of fun, as we wrap up the term. The Easter Raffle will be drawn too!

I hope you all manage to have some down time during the holiday break.

Term 2 begins for students on April 27th. See you then!

KIMP NEWS

It was absolutely fantastic to finish this crazy term with performances today by our Senior Band and Intermediate Band. We loved having the opportunity to perform for all the classes especially after so, so long without performing. It was a great reminder for all of us of the joy that comes from playing music together in front of an audience. A huge thank you to our special KIMP guests who made such a difference today—Mr Walsh, Mr Moodie (making a surprise visit), Mr Hart (conductor and instrumental music teacher from PBC) along with 3 of our great ex-KIMP students - Charles, Josh and Vito.

A massive thank you to all our KIMP families for your support this term. It's been challenging for everyone in so many ways but through it all you have kept dropping your children off before school for rehearsals, sending them with instruments and music, delivering forgotten instruments to school in time for lessons and generally supporting your children as they learn an instrument. We couldn't do it without you!

Have a wonderful break - I will email timetables home.
