## PRINCIPAL NEWS

We made it to the last week of Term 2! Only a few more days until holidays.

I have been so proud of all our students over the past week, putting so much time and effort into an array of events, including sport, STEM and debating. Every student has represented us with pride and been exceptional at displaying our PBL expectations of being, **safe, responsible, respectful and resilient**.

Just this week we had 4 **STEM teams** represent KPS at the Coastal Learning Community STEM competition at Kingscliff High School. I would like to congratulate 'Chuck 'em Balls' for winning the most popular STEM project, as voted by the High School students and 'Best Bowl' for coming first overall in the CLC STEM competition.

Congratulations must also go to our **Rugby Union boys' and girls' teams**, that won both their competitions at the PSSA gala day. A huge congratulations needs to go to our **girls' soccer team** that won the knock out today against Pottsville Beach Public School. Our **Netball team** competed at the PSSA gala day too, winning the first 3 games but finally getting knocked out in the 4<sup>th</sup> by Ocean Shores PS.

Well done to the students in all these sports and a huge thanks to the parents that either drove students or came along and supported them, we couldn't do it without you all.

Our **debating team** went to Bogangar and competed this week. They were amazing and won against Banora Point Public School, although lost to Tweed Heads Public School. The follow up day will be in week 2 of Term 3 for the second half of the Premiers Debating gala day. Well done!

Our **KPS Game Changer teams** recently submitted their entries for the state wide Game Changer competition. The team, 'Little Things Matter', was selected from nearly 300 submissions from across the state to participate in this year's Game Changer Challenge semi-final event in **Coffs Harbour on 25 July 2022!** The judging panel was unanimously impressed with their passion, empathy, and the research the team presented about their understanding of the wicked problem! Well done team and congratulations to all teams that took part.

This Thursday Kingscliff Public School will be running with minimal supervision, due to **Industrial Action**. The Year 5 and 6 excursion however, will still be going ahead. The rest of the school will only have a handful of teachers on site.

This Friday we have the combined **Athletics Carnival** down near the Cudgen Football fields at Walter Peate Reserve. This is the first time that K-6 will be holding the Athletics Carnival on the same day and all parents, carers and friends are invited to come along and watch. The P&C have organised food trucks with Pizza, Mexican, snow cones and coffee van providing food and drinks on the day. Students can dress in house colours but don't forget a hat and sunscreen.

On Friday student **academic reports** will be available through the Sentral Parent Portal. There has been a Seesaw message, Facebook post and email about the parents portal and how to access it. If you have requested a printed report, then these will go home via mail on Friday. There was also information on how to book a Student Learning Conversation with your child's teacher as well. Student Learning Conversations will be taking place on Thursday 21<sup>st</sup> July, when we return to school.

Have a lovely last week of Term and an even better holiday. School returns on **Tuesday 19<sup>th</sup> July**.

## Menstrual hygiene program comes to Kingscliff Public School

The NSW Department of Education is introducing a menstrual hygiene program in every NSW public school. As part of the program, schools will receive dispensers that provide free pads and tampons (or just pads) for students to access during school hours.

Our menstrual hygiene program aims to reduce any barriers that may prevent students from participating fully in school life. Menstruation (and its unpredictability) may stop students from attending school or taking part in learning activities. There are also known health risks from using improvised sanitary hygiene products.

The program has been successfully trialled in 31 schools, with positive feedback received from Principals and students alike. It is now time to introduce the program at our school.

Visit [edu.nsw.gov.au/MHP](http://edu.nsw.gov.au/MHP) External link to download a flyer about the program which is available in English and 8 other languages.

**Why Flying Start?**

- An extension school readiness transition to school program
- Experienced Bachelor trained Teachers
- Program built Preschool with specialist facilities
- Commenced location on the grounds of St Anthony's Primary School, Kingscliff
- Locally owned and operated
- School hours and long day options available
- Vaccination Care available
- Embedded in our local Community
- Open for all families, regardless of which school they will transition into Kindergarten

Our unique style Preschool program is specifically designed for children the year before transitioning to formal schooling (Kindergarten). Our Preschool program is guided by the children's interests and therefore shapes our play-based curriculum - PLAY IS LEARNING!

The children will explore and extend their development through creativity, music, movement, health and well-being, mindfulness, language, literacy, science, self-care and our community. With awe and wonder the Preschool children will discover and unleash their hidden talents, dreams and embrace their own individuality.

Our dedicated and passionate Bachelor trained Preschool teachers will support your child as they develop social skills such as turn taking, sharing, identifying their own and others feelings, self-regulation and playing with other children to develop social competence which is the core of school readiness and effective transitioning to school.

### Kingscliff High School CAPA Night

Our Senior and Junior dance groups have been invited to perform at the Kingscliff High School Creative showcase at Kingscliff High School Hall on Wednesday 29<sup>th</sup> June 2022. The children will need to meet us at the high school hall at 5.30pm for a quick rehearsal on the stage. The performance begins at 7pm and dancers can be collected after they have danced. At this stage, we do not know where we are in the program, I have asked for us to be on early due to Thursdays early excursion for years 5 and 6. Tickets are available at the door if you wish to watch the show

\$10 Adults  
\$5 Students/concession  
\$25 Family (2 adults, 2 children)

**CASH ONLY**

Dancers will need to arrive with makeup and hair done. Make up will consist of foundation, brown eyeshadow and red lipstick. All dancers can bring their red lipstick with them and put it on after they are in costume. **Junior dancers** will need to supply their own white shirt for part of their costume on the night (we are still waiting for the dance shirts to be delivered). Junior dancers' hair is two low piggy tails. Senior dancers' hair is a high ponytail. I will be bringing the senior dance costume.
