## PRINCIPAL NEWS

Welcome to Education week 2022. This year's theme is all about 'Creating Futures'. Education Week gives us the opportunity to reflect on our achievements and acknowledge the hard work and dedication from everyone working in our schools and across the department. From the first days in child care and early education through to primary and secondary school, then to post-school pathways, our education system is preparing young people to be agile thinkers and lifelong learners.

This week we have had Spelling Bee, numerous sporting events and on Thursday Stage 1 have invited all parents and carers to the beach to participate in beach games and then our Kindy students will be celebrating 100 days at school with a morning tea and dress up on Friday.

A big thank you to our P & C for running an amazing Trivia Night on the weekend. We would also like to thank all the businesses involved too. It was a fantastic night, and I know I had a great time. It was so nice to be able to socialise with our families and have fun at the same time. The P & C worked tirelessly to put it altogether and I know that it was such a great success, that they are already talking about next years event.

Please make sure you clarify with your child where you are picking them up from. Remember, if you are picking them up in the car, they need to exit through the Orient Street office gate. Having your child's name in the window on an A4 piece of paper is helpful too. If they are walking, they need to go through the Orient street walk gate or Sutherland street walk gate.

Please also remember to look after our neighbours by not parking across driveways or in drives.

If your child has a mobile phone we ask these are left in the office each morning. When they pick them up, they should stay in their bags until they exit the school. Thank you for encouraging and reminding your children to do this.

Thursday week 4, all students from Kindergarten to Year 2 will be involved in the K – 2 Athletics Beach day. It will involve age running races and novelty events down at Kingscliff beach, in front of the surf club. Parents and Carers are invited, more information is in the note that has been sent home.

### COVID Update

This week we had a huge shipment of new RAT tests delivered to the school, so if you need some, please see our office for some more. Stay home if unwell.

If your child is unwell, you must keep them at home. If they are displaying even mild COVID-19 symptoms, they should take a COVID test and isolate.

Your child should only return to school once they have returned a negative test and they are symptom free.

If your child tests positive to COVID-19, register the positive result with Service NSW, isolate for 7 days. Students are not to return to school, even if they test negative, in those 7 days and follow NSW health guidelines

Stage 1 would like to invite all parents and carers to join us on Thursday the 4th of August between 9am to 11am at Kingscliff Beach (in front of surf club) for our Stage 1 sports rotations. Join in, help out or just cheer on the students.

**WE HOPE TO SEE YOU THERE!**

## P&C NEWS

A massive thank you to all our wonderful parents and carers who attended our P&C Trivia Night or put a bid on our Silent Auction on Saturday. The night was a huge success! We are still doing the final tally, but we have raised more than \$6000 which will all go towards resources for our kids.

Due to the resounding success of the night, we will be holding a P&C meet and greet afternoon at Kingscliff Hotel on the 21<sup>st</sup> of August. This is another fantastic opportunity for you to meet some other parents in a social setting.

This year the P&C organised for food trucks to attend our Athletics Carnival. From all the big sticky grins we know that the fairy floss, snow cones and pizza were a massive success. The line up of parents at the coffee van told us the caffeine was appreciated too.

We will be sharing figures from all our recent fundraising at our next meeting, it would be great to have lots of parents there to have their say in how this is best spent.

We love our community, and the last couple of weeks have shown us why!

From your smiling P&C

100 days of school

## KIMP NEWS

This week we opened our early morning rehearsals to parents as part of Education Week. A huge thank you to those parents who were able to come along and see a rehearsal in action...the bands were certainly on their best behaviour with you watching! It's a great opportunity to see us working on new music and then how much we improve as the year goes on when you compare it with end of year performances.

A reminder that with Stage 2 and Stage 3 camps coming up there are a few rehearsal changes in the next two weeks. No Senior band next Tuesday but lessons are still on as usual for all KIMP students at school next week. Intermediate Band and Big Band ARE on next week.

Please let me know via email (address below) if you are still not receiving KIMP emails from me.

Have a great weekend
