PRINCIPAL NEWS

We are halfway through the term and there is still so much going on.

FNC Athletics is on this Friday 19th August. I would like to wish all our competitors from Kings Public the best of luck.

Next Monday 22nd August our **Book Fair** starts, this will be set up in the hall. Also don't forget the **Book Parade** on Thursday 25th August. Kindy to Year 6 can come dressed as any character from any book, I wonder what Mrs Foley will be wearing this year? I can't wait to see everyone's costumes.

On Tuesday 13th September from 6-7pm, we have the **Kingscliff High School Info night** in our school hall. If you have a child going into Year 7 in 2023 or just want to find out more information on Kingscliff High, you are welcome to attend. All parents of students from Kindy to Year 6 are welcome to attend. We encourage you to come along and meet the Principal and hear about the exciting things Kingscliff High has to offer.

Last week Stage 3 had a great time at **Camp Maranatha** on the Sunshine Coast. I would like to thank all our teachers and parents that went as helpers. Our teachers ended up being on duty 24 hours a day and many had left young children. We could not run these camps without their commitment, you are all amazing.

Last week it was so good to see our **K-2 carnival** finally happen, after all the rain we have had. A huge thank you to Mr Goulding for putting it all together and to all the teachers that assisted on the day. It was so nice to be able to have all the parents and carers join us for the morning on the beach too. A big thank you must go to the local Lions Club, for lending the BBQ to our amazing local Rotary Club. The local Kingscliff Rotary Club came along and cooked sausages and provided drinks on the day. It was so nice to be able to give back to a local group, the students loved it. How lucky are we to have the beach on our doorstep.

This week our Stage 2 students are at **Tallebudgera** for their camp. They are having a ball at the moment and I can't wait to see pictures, once they return. I would also like to thank these teachers and parents that have gone to help out too. It is so nice to be able to have camps on again after so many years of COVID restrictions.

Talking **COVID**, if your child does test positive, you need to notify the office, so we can send a note home to all families from that class. We don't identify the child but we do need to make other families aware that a child from that class had tested positive. Thank you those parents that do this. If you need more RAT tests too, then please call into the office to pick up some. It is always handy to have them, just in case.

Some students do have **mobile phones** and we would like to remind you to have a chat to your child to make sure they get checked into the office each morning and are not used until they are outside school grounds or once they are off the bus. Mobiles should not be used in school grounds or on buses. Thank you all for reminding your children.

Finally, congratulations to our **Snr Boys Rugby League** team who defeated Boambee PS and are now North Coast champions. They will now take on the Western winners, Warialda at Port Macquarie on Friday 26th August. A huge thank you to the parents and Mr Prichard for travelling and continuing to support our boys. Well done legends.

Have a great week.

Stage 3 Camp Maranatha

Stage 3 enjoyed a fantastic camp this week on the Sunshine Coast at Camp Maranatha. The weather was perfect for the outdoor activities and the bush setting provided a fabulous backdrop for the many activities including; giant swing, mid ropes course, archery, Tower of Tremble and Leap of Faith. It was wonderful to see friendships develop through teamwork and students make personal growth by challenging themselves to try new things and face their fears! Thank you to Ms Gray for her awesome organisation and teachers for their care, support and guidance of our Stage 3 students. There were a lot of exhausted but happy faces on our return. Well done kids, we are so proud of you!

KIMP NEWS

It's hard to believe it's Week 5 already. It has been great to see our Stage 2 and Stage 3 students head off on camps again these last two weeks... and in the sunshine! KIMP rehearsals will all be back to normal next week and we have lots of practice to do! Senior band are busy rehearsing for their Beach and Creek week performance in the park on Monday 19 September. (I will confirm time and place and let you know details). Intermediate band are working towards a performance at school in Week 10 of the two pieces we are working on. Mr Walsh has plans for his amazing percussionists to show off their Drumline at the end of term and Big Band might be ready for a sneak preview of their new pieces by the end of term as well.

Don't forget the magic of consistency practice in making a huge difference to your child's progress as well as their ongoing enjoyment. I say it a lot but just 10 minutes each school day morning or afternoon will see them improve very quickly. Obviously for our more advanced players they will play for longer but it's the same principle... consistency is the key. I do think that they need to be doing at least three practices a week at home, less than this and they won't progress and will eventually lose interest as well. I know it's a team effort at home and really appreciate what it takes to get them to take their instrument out and play it! It's worth it.. No one every says, "I wish I didn't play an instrument when I was growing up!"

Thank you for your awesome support at home, have a great week!
