The school term is definitely rolling on, with our formal **Leaders' Induction Assembly** on Wednesday. Invitations have been sent to families of our leaders elect and we look forward to sharing this occasion with the community. The assembly will commence at 9:30, with doors open from 9:15am.

On Friday, the **P & C** will host an afternoon tea, **meet and greet** for all **K-2 families**. This will take place in the "Kindy" playground after school on Friday 17th February. Come along and meet the Kingy community and create connections with our teachers and other families. We're looking forward to seeing you all there!

I am sure you have all been wondering when our amazing **KIMP program** will begin. After a thorough search, I am pleased to announce we have found our new band co-ordinator, Jane Nelson. Jane is an experienced music tutor and has relocated from Sydney to take up the position here, as well as some other local schools. Information will be distributed in the coming days, requesting confirmation of involvement in KIMP this year.

Timetables will then be arranged and lessons will begin Week 6 (27 February).

Welcome Jane!

A reminder that we are now in the post-COVID world and **parents or carers are welcome** to enter the school grounds to drop off or pick up students. If you are collecting students after school, you can wait on the silver seats around the school, or in shaded areas near other classrooms. Please arrange a meeting place with your child, so that stairways and exits are not crowded. Please exit via the pedestrian gate on Orient Street (near the crossing) or the Sutherland Street gate. The main gate is for CAR pick up only each afternoon.

Safety Messages:

- Students should enter cars from the curb side door.
- Always cross at the crossing, do not go between parked cars.
- Please do not bring dogs into the school. If you must bring them to pick up, keep them on a short lead please. Some students have severe allergies or fear of dogs.

KIMP News

Hello Kingscliff families,

My name is Jane Nelson.

I started learning the flute in primary school, after high school I studied music and conducting, and learned multiple instruments.

I am a highly dedicated and passionate music teacher, conductor and developer of music programs, working in schools and the community developing knowledge and a deeper understanding of the creative arts.

My love of music is seen through my students, all of whom enjoy learning their selected instrument, practicing for their exams and some have gone on to become professional performers and teachers.

I am excited to bring my wealth of musical teaching experience to the KIMP program and teach a new generation of musicians!

Warm Regards,

Jane

Also, a warm welcome back to our returning families, we are excited for another great year with you all! This Friday (17th Feb) we will be holding a K-2 Family Catch Up after school. This is a great chance for new and old families to catch up in our front playground area and meet others in our school community. Monday 20th Feb P&C Meeting (everyone welcome)

This year our major events will be a Mother's Day and Father's Day breakfast. These events are designed to be inclusive, and we welcome any nans, pops, uncles, aunties or special people.
