## PRINCIPAL NEWS

Week 8 is a busy week in schools across the state. It is **NAPLAN** week, which means that for years 3, 5, 7 and 9 students are participating in assessments in literacy and numeracy. While this is a snapshot of student learning so far, it is part of our annual assessment process. Teachers have been supporting students to be confident and resilient as they prepare for the assessment tasks. NAPLAN test period will end on 27 March.

Our school has a strong representation at the North Coast Swimming Carnival at Alstonville, today. We have some early results from our **"Super Swimmers"**.

Kingscliff PS Junior Girls relay team - Mia, Zali, Olivia and Piper - have won their event!

The Junior Boys relay team - Archie, Remi, Carter and Banjo - placed 2nd.

How awesome! This shows the depth of talent at our school. Some other super stars have earned places in individual events:

Sage - 1st in individual medley, 2nd in backstroke

Autumn - 1st in butterfly, 2nd in breaststroke, 3rd in freestyle

Piper - 1st in freestyle, 2nd in backstroke

Congratulations to Kingy swimmers. Other results will be shared, as they are known.

A BIG thank you to parents/carers who have supported us, as we have worked to improve practices around the **exiting of the school grounds**. The new distribution of collection and exit points has relieved congestion on Orient Street, creating a safer environment for our students.

I thank you for your continued support in this matter.
