PRINCIPAL NEWS

Term 2 is marching on and Kingscliff Public School students have certainly been out and about. We are not only kicking goals on the sporting fields, we are also engaged in many academic challenges.

Last week, 12 girls participated in a '**Girls in STEM**' day: "Young Change Agents, Academy for Enterprising Girls – 1 Day Future of Finance Design Challenge'. A day promoted through our Coastal Learning Community, engaging schools who feed into Kingscliff High School. Students from years 4,5 and 6 engaged in design thinking, team building, problem solving and drama to solve a variety of challenges. Mrs Bendeich was very impressed by our students, who posed great questions, offered suggestions and solutions to challenges posed. Well done girls, the future is in good hands.

Other students have been engaged in debating workshops, with Mrs Walker, preparing for the **Premiers' Debating Challenge** later this year. Miss Clare and Miss L-P also attended a great session titled, "Youth Leading the World". Through this program, young people become informed about global and local eco-challenges, develop a vision for a harmonious future and develop innovative plans to achieve this vision. Our group of enthusiastic students have come up with some interesting ideas to help the school reduce garbage at school.

Staffing Announcements: I wish to congratulate Miss Asha Lambert-Patel who has been successful in gaining the position of Learning and Wellbeing Officer, with the Murwillumbah office team. Miss L-P will be supporting many schools in our area, as they work to address the needs of all students in our classrooms. This is a 3-year appointment for Miss L-P, with the right of return to KPS. Miss L-P will commence this position in term 3. We will certainly miss her expertise but know that she will thrive in this new work environment. Congratulations Asha.

From term 3, Mrs Dee Stephenson will replace Miss L-P in the learning support role at KPS.

Mrs Stephenson has vast experience across many schools. She has a substantive position at Leichardt Public School as Deputy Principal, has previously supervised support unit, learning support teams and beginning teachers. Mrs Stephenson has been working at KPS all year on Mr Prichard's class and others on casual days.

There will also be a change for **2 Herons**. Miss Lyn Pettitt will be teaching 2H on Fridays. Miss Pettitt has significant experience in K-2, as an early year's specialist. I welcome both teachers to our school.

As winter sets in, please be vigilant, monitoring for cold and flu symptoms. Please keep children home if they are unwell. This will reduce the risk of spreading infection across the class. COVID is still with us too. Ensure children stay home if they have any symptoms. Thank you.

Cross Country

Congratulations!

Congratulations to all those that participated in the FNC Cross Country carnival on Friday. We have 10 students who have made it through to the North Coast Cross Country carnival in Yelgun (Byron Bay) next week. Great effort everyone!

Rugby Union 7's

Well done to the students who attended the Rugby Union 7's trials last week. We have 6 students, 3 boys and 3 girls, who will now be trying out for the NC team in Grafton on 20 June. Well done!

Are you coming to the parent session, to learn about online safety?

6pm Thursday 8th June at Kingscliff Public School.

The Online Guardians are an Esafety accredited organisation with 15 years' experience working with schools, students, educators and families in the digital world. They have 23 years of policing experience in both the New South Wales and Queensland police. Our ideologies focus on the principals of early intervention and crime prevention.

Parents in all schools, have given outstanding feedback about what they learnt by attending this session. It really should not be missed, especially if your child uses computers, ipads or any other online device.

EDUCATION AND AWARENESS - PARENT AND CARER SEMINARS

The digital world has had a significant impact on the development of our children. Parents and carers play a critical role in understanding the online world and supporting their children in this space. Through data collected from thousands of school students, we paint an accurate picture for parents and carers. Understanding the trends, cultures, and behaviours are essential. Our education provides tangible strategies, ideologies and tools that help parents and carers directly in their home.

KIMP News

Our band will be travelling to Murwillumbah on Tuesday 27 June to participate in the Murwillumbah Eisteddfod. Notes went home last week. If you could please return the note as soon as possible together with the \$5 payment to cover the cost of the bus.

STEM Academy of Enterprising Girls Workshop

On Friday 2nd June, eleven young enterprising girls from Kingscliff Public School took part in the Young Change Agents Workshop which took place at Pottsville Beach Public School. Over 50 girls from the local area took part in what was a fantastic day. They were introduced to social enterprises and how developing business ideas can impact the world in a positive way. The girls from Kingscliff Public School developed wonderful business ideas that could greatly benefit and assist the community. Well done STEM girls!

Miss Bendeich - STEM Teacher

Congratulations!

Congratulations to Bear, Finn and Penelope who are each lucky winners of an Athletes Foot voucher as part of our school contribution prize draw.

OZGREEN Youth Leading the World Workshop

Over the last two days last week some passionate Yr 6 students attended the OZGREEN Youth Leading the World Summit. They connected with other local schools to tackle global challenges such as energy, food, biodiversity, water quality and climate change. Our inspiring Kingy kids came up with some brilliant ideas on how they can lead positive social change.
